SUBJECT :- Revision of W.Es.

Lists 'A' and 'C'

HQ 217 Area, CMF

Ref: 1321 C

24 Jun 46

1. The appointment of L/Sgt on all WEs is being abolished w.e.f. 30 June 46. L/Sgt appointments on standard WEs are being revised editorially by the War Office.

2. Formations have been requested by GHQ CMF to submit proposals for regrading all L/Sgt appointments on C.M. WEs that were sponsored by the formation concerned, or with which they are particularly concerned.

3. Where possible these appointments should be downgraded to Opl but there may be certain exceptions. Full justification for upgrading L/Sgt to Sgt will be rendered with the proposal. This will then be submitted to the WE Committee in the normal way.

4. When submitting these proposals for upgrading the appointments, the following factors should be borne in mind :-

- a. Is the present number of Sgts insufficient for the operational and administrative efficiency of the unit?
- b. Are additional Sgts justified on a post and responsibility basis?

5. In all cases where upgrading is not considered warrantable the intention is that men holding L/Sgt appointments on 30 June 46 will be re-assessed for pay as Opl. However they will retain, as an interim measure, the appointment of unpaid L/Sgt.

6. It is understood that there will be no loss of pay due to downgrading as the existing rates of pay will be protected by the War excess provisions of the new Pay Warrant which comes into effect 1 Jul 46.

7. Addressees are requested to forward the following details.

- a. Title of Unit and CM WE.

4/18/18-63

Verify that the following is a full list of all WEs in the formation concerned.

20 March 1946

Sir,

I am commanded by the Army Council to inform you that they are well aware of the questions which are being asked as to the future of the Territorial Army and of Territorial Army and Air Force Associations, and of the keen desire of many members and ex-members of the Territorial Army that this Army should be given a place in the post-war forces. They could have wished to be in a position before now to make some pronouncement as regards the future shape and organisation of the Army which could have embraced this particular subject. You will appreciate, however, that the separate entities of the Regular Army and the Territorial Army have been merged and obscured in the greatly expanded war-time Army and that the end of this merger is not yet in sight. The commitments of the Army world-wide are admittedly shrinking, but it is not to be expected that they will dwindle to the ultimate requirement for many months to come. Nor is the size of this ultimate requirement by any means clear. The British Army will no doubt be occupied in the garrisoning of the Empire and the protection of its bases and lines of communications abroad. It will also no doubt be concerned in making a contribution to any international force upon the creation of which the Security Council may make recommendations. But none of these considerations has as yet taken final shape, and it is clearly reasonable that His Majesty's Government should not now make decisions regarding the size and composition of the Armed Forces which may have to be varied in the light of a fuller knowledge of future needs.

From these considerations it will be apparent to your association that the Army Council is unable at present to make any pronouncement of the future other than to say that they have decided that Territorial Army Associations will continue to have an important part to play (though their duties and composition will need revision) and that it is very far from their thoughts and intentions to sacrifice or to disregard

With the object of keeping alive the spirit of the Territorial Army they wish to encourage the formation of voluntary associations or clubs composed of former members of Territorial Army-units, using certain rooms in the drill halls of their old unit under arrangements to be made by Territorial Army Associations and under conditions which form the subject of a separate letter. They must at the same time make it clear that the establishment of such a body must not be taken as implying any guarantee as to the future of the unit which it represents.

Ref your unreferenced letter of 31 Dec 45.

1. The war establishment referred to in our SD/103 dated 12 Nov 45, is for an increment to a Type "A" RH only. Ada personnel for Type "B" RHs are included in the SD 26/1150/1.

2. Territorial RHs have been instructed to implement these increments.

3. The increment to your RH therefore should now be constituted by 7 Terr RHs at FLORENCE. If 4 RHs and 5 RHs who already have Type "A" increments wish to transfer any Italian Army personnel during the reshuffle the necessary arrangements must be made with the Territorial RHs concerned. Is regards Gile ! I naturally wish to remain with Col Douglas whom I've been with so long. What do you wish to do ? I hope you want to go with Col Markas ??!

I am to remain here for January anyway and then I hope join Col Douglas at Bolzano beginning of Feb if possible. Naturally it depends on what you want to do too of course.

Ref the list of personnel coming you will see that there are some gaps in WE which I hope you can fill from your end -

Reference your A II-I61 of 19 Nov. '45.

1. The disbandment of the AFHQ Maltese Liaison Pool was ordered by GHQ in their letter 1054/41 (ser 3436) dated 15 Oct.

This HQ represented to AFHQ the views of all Os.C. B.L.U.s. on this matter, with a request that the Maltese Liaison officers might remain with B.L.U.s. until 1 January. AFHQ are unable to meet this request since a number of these officers are urgently required to return to Malta. The disbandment as ordered must therefore take place.

2. Officers will be made available for return to Malta in accordance with GHQ posting instructions. Other ranks will be posted by O2E.

3. Vehicles will be handed in as detailed in the GHQ disbandment order.
