Informo per opportuna conoscenza:

Nei primi giorni del mese di febbraio, in seguito a segnalazione dell'Ispektorato Agricoltura di Bolzano, il comandante del 4° nucleo ricupero quadrupedi si rivolse al comandante del Sanitary Park di Merano per conoscere quando detto nucleo avrebbe potuto distribuire ai contadini i 15 cavalli p.b. in consegna a detto Park.

Dopo vari appuntamenti, sempre infruttuosi, un ufficiale del 4° nucleo riuscì a parlare col detto comandante (un maggiore dell'esercito Inglese) e da questi ebbe assicurazione che i quadrupedi sarebbero stati inviati a Fara Sabina e non distribuiti ai contadini.

Giorni addietro il comandante del 4° nucleo apprese che quasi tutti i cavalli erano stati alienati privatamente (come risulta dalle due annesse dichiarazioni - mediante un pagamento di L.90.000 e 50.000) -

Il 4° nucleo ricuperò quadrupedi ha reso già noto quanto sopra al Colonnello Liller.-

Es wird hiermit bescheinigt dass Sie das Pferd "Hubert" mindestens 6 Monate, vielleicht auch länger, leihweise behalten können. Bevor es zurückgeholt wird, werden wir Sie zeitgerecht verstaendigen. Niemand auch nicht die Italienische Polizei, hat das Recht, sich in diese Verleihung einzumengen.

Si certifica con la presente che voi potete tenere a prestito il cavallo "Hubert" per almeno sei mesi, forse anche per più tempo. Prima di ritirare il cavallo, vi daremo un avviso a tempo. Nessuno, neppure la Polizia italiana, ha il diritto di immischiarsi in questo prestito.

It is understood that the 69 DID at VERONA is closing down on 21 Apr 46: already we have to send 100 miles each way to draw our forage with very limited transport facilities, and after that date we shall probably have to send even further. It would be very much appreciated therefore if you would permit us to draw 28 days rations for the 3 horses on 16 Apr: this will naturally save a very considerable amount of petrol and travelling - the former a very important factor these days as we have no petrol point here.
