no 4978/Op. di prot. Levico-P. 73, 20 dicembre 1945.

OGGETTO: Piano sostituzioni della divisione "Friuli"
 da parte 4^a Brigata Folacca.

ALLA 217^a AREA - C.A.F. -

e, per conoscenza:

AL COMANDO MILITARE TERRITORIALE VI^o
 AL COMANDO MILITARE TERRITORIALE IV^o

TRIESTE
BOLZANO

AL 4^o B.I.U.

BOLZANO

AL 6^o B.I.U.

BOLOGNA

AL COMANDO 37^o REGIMENTO SERRERIA

1^o) - In ottemperanza all'ordine contenuto nel foglio AQ 30
 del 18 dicembre (che allego) copia per i comandi territo-
 riuli di Bolzano e Bologna), ho disposto perchè per le
 date stabilite siano:

- sgoberate da truppe italiane le località di Bassano
 del Grappa, Soave e Feschiera;
- si trovino nelle località indicate i rappresentanti
 dell'87^o e 88^o Fanteria destinati a cedere i servizi
 di guardia alla 4^a Brigata Folacca.

Nelle aree in cui è stato disposto lo sgombero da parte
 4^a truppe italiane ricadrà solamente in Feschiera, un di-
 staccamento di 1 ufficiale e 40 uomini di truppa per la
 guardia al carcere militare del Comando Militare Territo-
 riale di Bolzano.

4206

Comando di Serreria, 18 dicembre 1945, trasferimento entro il 31

1°)- In ottemperanza all'ordine contenuto nel foglio AQ 30 del 18 dicembre (che allego" copia per i comandi territoriali di Bolzano e Bologna), ho disposto perchè per le date stabilite siano:

- sgomberate da truppe italiane le località di Messano del Grappa, Soave e Feschiera;
- si trovino nelle località indicate i rappresentanti dell'87° e 88° Fanteria destinati a cedere i servizi di guardia alla 4^a Brigata Polacca.

Nelle aree in cui è stato disposto lo sgombero da parte di truppe italiane rimarrà solamente in Feschiera un distaccamento di 1 ufficiale e 40 uomini di truppa per la guardia al carcere militare del Comando Militare Territoriale di Bolzano.

4208

2°)- Per quanto riguarda l'ordinato trasferimento entro il 31 dicembre di tutto l'87° Reggimento Fanteria, in una zona a sud del fiume Pd, confermo quanto ho comunicato verbalmente a questo comando ieri 18 corr.; è cioè:

- a) gli uffici locali che dove pochi lavori di adattamento possono essere prontamente utilizzati per alloggiamento di reparti sono attualmente quelli della Caserma Cioldini in Reggio Emilia, con una capacità massima di circa 400 uomini.
- b) Nelle altre località indicate dal Comando Militare Territoriale di Bologna quali possibili sono di accontentamento non è possibile nè ora nè fra alcuni mesi alcuna sistemazione delle mie truppe; infatti:
 - a Sassuolo i locali della "Rocca" sono assolutamente inabitabili per mancanza di porte, di finestre, di condutture d'acqua e per le molte devastazioni fatte non ancora riparate; secondo una comunicazione pervenutami stasera da questo comando i locali

./.

- 2 -

dello stabilimento "Isma" non possono essere requisiti per le truppe italiane.

- A Scandiano la situazione dei locali già usati da truppe italiane è uguale a quello di Sussuolo - cioè assolutamente oggi inabitabili.

- A Mirandola vi è una caserma già della ex milizia repubblicana che è stata passata all'amministrazione comunale di detta città e subito adattata per abitazioni di numerose famiglie sfollate, di alcuni uffici e di associazioni politiche varie. Cioè a Mirandola oggi non vi è alcuna possibilità di sistemazione nemmeno per un piccolo reparto.

3°)- Tali essendo le condizioni degli alloggiamenti offerti alla divisione "Friuli" per la sistemazione di un intero reggimento della forza di 124 ufficiali, 2355 sottufficiali e truppa e 293 automobili posso che in minima parte ottemperare all'ordine di portare a sud del Pò tutto detto reggimento al completo entro il 31 dicembre.

4°)- Conseguentemente ho disposto:

a) che entro il 31/12 si trasferisca a Reggio Emilia - Caserma Cialdini - parte del battaglione granatieri (III°) dell'87° Pzr. e precisamente:

- 1 comando battaglione
- 1 cp. comando di battaglione
- due cp. fucilieri

oltre ad un pl. della 52^a cp. Genio artieri per collaborare con il genio del comando Militare Territoriale di Bologna nella esecuzione dei più urgenti lavori occorrenti per una prima sistemazione.

Il movimento avrà luogo nei giorni 28 e 29 corr. mese per v.o. a scaglionati non superiori a 30 automezzi.

Mi riserbo di trasmettere il piano concreto del movimento.

b) Che i furieri di alloggiamento partano il mattino del giorno 22 c.m.

- a) che entro il 31/12 si trasferisca a Reggio Emilia - Caserma Cialdini - parte del battaglione granatieri (III°) dell'87° Prr. e precisamente:
 - 1 comando battaglione
 - 1 cp.comando di battaglione

- b) Che i furieri di alloggiamento partano ~~il~~ Mattino del giorno 22 c.m.
- c) Che il vice comandante dell'87° Prr. prenda contatti con il Comando Militare Territoriale di Bologna e con questo comando per la scelta delle località a sud del Pò dove dovranno essere sistemate successivamente le altre truppe dell'87° Fanteria.

Subject:- Move of FULGORE Div.

Land Forces Sub Commission A.C.
(M. M. I. A.)
SD/23/4
15 December 1944.

To:- S.M.G. (Gen. G. of S.)

In confirmation of telephone conversation on the above subject, Brig. YATES - General BROWNIE, a.m. 15 December.

1. I had my first interview with the new Minister for War, BRISIO, yesterday evening and amongst other things he raised the matter of the move of FULGORE.
2. He requested that the move should be postponed a fortnight until the first week in January, for the following reasons:-
 - (a) That there had been so many changes since FULGORE was first told it would move in October last that morale had suffered.
 - (b) That the move would be taking place just before Christmas, and in fact, might continue over Christmas in view of the weather, the shortage of drivers, etc.
 - (c) That Christmas is an important festival and looks large in the eyes of Italians; consequently the move at this moment would cause wide-spread discontent and probably desertion or A.S.O.B.
 - (d) The Minister's own position. He has just taken over, and his first act would be to order an unpopular move with possible trouble at the very start of his regime.

The Minister was very reasonable in the way he put forward this request, and asked me to represent the above to you, which, by the terms of my charter, I am bound to do.
3. I pointed out to the Minister that:-
 - (a) There had been continuous and considerable Italian opposition from the start to any move of FULGORE from the BOLZANO area.
 - (b) There was no political significance in this move. The Ind. Regt. would be remaining in the BOLZANO area, with elements of Friuli further south. It was solely a matter of freeing FULGORE from guard commitments so that they could be withdrawn for training and that there was

not enough accommodation in the area to cope with the relieving Allied Troops and POWs as well.

(c) The whole matter was on train and that I very much doubted if A.P.M. could see their way to upsetting arrangements already very far advanced, particularly as in a few weeks' time POWs, owing to the weather, might not be able to move at all.

(d) It was very late in the day for the Italians to ask for this postponement when they had known for many days past that this move was intended at once and the reconnaissance for accommodation north of the Apennines had been completed and agreed to by the Ministry of War representative in conjunction with M.H.I.A. and 3 District without any protest.

I await your decision on the matter.

D. Browning

Major General,
M. H. I. A.

P.S. Since writing the above I have been informed by Brig YATES on the telephone that you cannot agree to postponement of the move and I have informed the Minister of War accordingly.

Subject:- Visit of G.C.O.J. POLIGORE
to MINISTRY OF WAR

To:- Land Forces Sub-Comm. A.C.
M.M.I.A. ROEST

CONFIDENTIAL

Headquarters
1. British Liaison Unit
POLIGORE
Ref. 4/08/4
Dec. 11. 45.

1. General PIAGESI, GOC POLIGORE DIVISION has notified this H.Q. of his intention to visit the WAR MINISTRY to try and obtain some news of the proposed Divisional redeployment.
2. He requested that this H.Q. notify HQIA so that that H.Q. would have some knowledge of his visit.
3. He intends to bring out the following points;
 - (a) Division were first ordered to move 26 October. '45.
 - (b) Stores have been packed and unpacked several times in that time and consequent with this the morale of his troops has fallen.
 - (c) The Division is very badly off for drivers due to the release of the various Army classes. A month ago they could have moved reasonably securely but now they are short of these drivers to move the vehicles.
 - (d) He has had to restrict leave to a minimum and withhold leave from his officers and the drivers remaining.
 - (e) His troops are well prepared for a winter, already arrived, and will now arrive in the new Area in time to prepare the accommodation.
 - (f) He is afraid that a good proportion of his troops will absent themselves in this festive season thus prejudicing the move of the Division.
4. He is still of the opinion that the move has not been arranged as purely a military necessity for training. Although the Allied H.Qs. insist to him that this is the case. He intends to put up an argument about the merits of his present Area as a Winter Living Ground.
5. Acting G.S.O.1 this Headquarters discussed the matter with Commander 60 Sub-Area and was told that "for British Interests the POLIGORE must be moved out of this Area as quickly as possible". However that information was not for G.C.O.J. POLIGORE.
6. This Headquarters does not associate itself with the views and arguments to be put forward by General PIAGESI, in view of Statement of 60 Sub-Area Commander except to say that conditions in this Area are the worst possible for a move at this time and in view of the festive season it is likely that a good number of the Italian troops will take "rench leave" thus making more difficult the transfer of the Division.

3°) - Il casermaggio non potrà essere lasciato qui sul posto, perchè tale provvedimento significherebbe lasciare senza materiale da giacitura i soldati della Divisione nel nuovo territorio. Se però dalle ricognizioni della nuova zona risultasse che è possibile trovare in posto il casermaggio necessario, quello attualmente in uso sarà senz'altro versato, in quanto è nell'interesse della Divisione evitare trasporti inutili.

Vi pregherei perciò di fere presente quanto sopra al Comando della Sub-Area perchè modifichi gli ordini impartiti.

Subject: Redeployment of POLYMER Division  
Memorandum to Provisional Plans

Headquarters,  
 U.S.A.F. (at 53,000)  
 POLYMER,  
 Ref: G24/A  
 30 Nov 1955

To: Joint Chiefs of Staff (JCS) 1-1.

2. Lt. Col.  
 66 Sub Area  
 U.S. POLYMER Division

1. This No. letter G24/- dated 22nd and 23rd November 1955 copies to you refer.
2. G(39) 2 District have made a rough figure of 2,500 tons for rail space for moves of the Division.
3. This will leave approximately a thousand tons of stores in excess which will have to be stored or disposed of.
4. It is noted that when the Division moved from FORT MONROE (Beverly) to 48001 (POLYMER) in January of this year it received a rail allotment of 3,800 tons. At that time the Division had only two thirds equipped and had all its "B. Equipment" on the road.
5. The balance of the stores to be left behind is roughly:
  - (1) Vehicles awaiting spare parts (153).
  - (11) Training ammunition.
  - (111) Office furniture and some barrack stores.
  - (2V) Road fuel.
6. 60 Sub Area Commander has consulted with Lt. Gen. HARRIS, Commanding General 4 Territorial Command and ordered:
  - (1) All wood to be left behind. (Polymer have bought 800 tons of a contract made for 4,550 tons) to be handed over to Gen. HARRIS.
  - (11) Office furniture and barrack stores to be handed over to Gen. HARRIS.
  - (111) Training ammunition to be handed over to Gen. HARRIS. (60 Sub Area 300/2/4 of 25 by refers.)
7. It is noted that the allotment of training ammunition to the Polymer Division is an allotment made after incidents had been made through this No. After the redeployment which is to enable the division to train, they will be without ammunition until further allotments can be obtained. Further on the redeployment of the POLYMER there will be no troops in any quantity that are equipped with 250cr, 170cr, 60cr or 40cr artillery pieces and 303 100 and rifles, training in 40cr, Territorial Command, and as the ammunition would be wasted in that country.

- (1) Vehicles and any spare parts (see para 5)
- (11) Training ammunition.
- (111) Office furniture and some barrack stores.
- (27) Food fuel.

- 6. 60 Sub Area Commander has consulted with Lt. Gen. WACHOFF Commanding General 4 Territorial Command and ordered:
  - (1) All work to be left behind. (Polgore have bought 800 tons of a contract made for 4,350 tons.)
  - (11) Office furniture and barrack stores to be handed over to Gen. WACHOFF.
  - (111) Training ammunition to be handed over to Gen. WACHOFF. (60 sub Area 300/2/1 of 25 by refers.)

7. It is noted that the allotment of training ammunition to the Polgore Division in an allotment made after incidents had been made through this file. After the redeployment which is to enable the division to train, they will be without ammunition until further allotments can be obtained. Further on the redeployment of the 2nd Div. there will be no troops in any quantity that are equipped with 2500r, 1700r, or 400r artillery pieces and 305 mm and rifles, training in the territorial command, and as the ammunition would be wasted in that command.

8. It is recommended that for the maintenance of efficiency within the division, equipment cannot be provided through G(10) 2 District that the Ministry of War apply to Italian State Railways for the rolling stock to receive. (reference directive No. 2. 16 Nov para 5 (a)(vii).)

- (4) Training Ammunition.
- (11) "off the road" vehicles which, if left here, will not be available to be put in order when the spares arrive at the Divisional Workshops. The vehicles will be in the Divisional Workshops in the new area.

1. Ref your GO4 - 1 of 22 Nov 45.
2. The question of loading at BELLUNO for units in the PIEVE DI CADORE area is agreed by this HQ in principle, but is subject to confirmation by HQ 2 District.
3. The new bid for rail lift is still considered excessive. Fuelwood and accomodation stores, which are the property of the Italian Government, together with training amn, will be handed over to No.4 Military Territorial Command, Bolzano, and there would appear to be no need to exceed the rail bid of 2500 tons submitted to 2 District under cover of this HQ letter 300/2/Q of 20 Nov 45.

- 1°) - Questo Comando ha ricevuto preavviso che la Divisione dovrà presto trasferirsi nelle Marche.  
 Non è ancora precisata la zona assegnata alla Divisione.  
 Per orientamento dei comandi dipendenti è riassunto, nei paragrafi seguenti, quanto è possibile fino d'ora prevedere sull'organizzazione e sullo sviluppo del movimento.
- 2°) - Il movimento avrà luogo contemporaneamente per ferrovia e per v.o..  
 Tutto il personale che troverà posto sugli automezzi organici sarà trasportato per v.o..  
 Il rimanente personale ed il materiale che non trova posto su gli automezzi sarà trasportato per ferrovia. Qualora verranno assegnati mezzi di trasporto ferroviario per un tonnellaggio inferiore a quello del materiale predetto, il rimanente materiale dovrà essere trasportato con successivi viaggi degli automezzi della Divisione.
- 3°) - Non appena questo Comando avrà ricevuto l'ordine di movimento, ordinerà la partenza dei forieri di alloggiamento.  
 Con i forieri partirà un distaccamento del Comando di Divisione, con nucleo trasmissioni che costituirà un comando avanzato, cui faranno capo i forieri nella nuova zona.

./.

= 2 =

Detto comando avanzato coordinerà le ricognizioni, deciderà sul posto la dislocazione da assumere e ne invierà al più presto comunicazione a questo Comando, che ne informerà i reparti.

- 4°) - Nel frattempo i reparti provvederanno:
- a predisporre il movimento di tutti i loro mezzi;
  - ad accantonare nei pressi delle stazioni di carico i materiali da caricare;
  - a destinare quella aliquota di personale (ridotta al minimo) che dovrà provvedere al carico dei materiali e che viaggerà poi con l'ultimo trasporto messo a disposizione del proprio reparto.

- 5°) - Appena terminate le ricognizioni (tempo prevedibile: 12 giorni v. all.1), inizieranno contemporaneamente i movimenti per v.o. e per ferrovia.

Poichè le competenti autorità alleate si sono per ora impeggate ad assegnare i vagoni sufficienti per il trasporto del personale che non trova posto sui mezzi automobilistici, per i cinquantati e per 2.500 tonnellate di materiale, sono per ora prevedibili i trasporti ferroviari che risultano dall'allegato 2).-

Con tali assegnazioni vengono considerate soddisfatte al completo le esigenze dei reggimenti di fanteria, degli organi sanitari e del Quartier Generale.

E' stata richiesta alle competenti autorità l'assegnazione di trasporti ferroviari per oltre mille tonnellate di materiali; in caso favorevole questo ulteriore tonnellaggio verrà ripartito come risulta dall'all.3).-

In caso contrario occorrerà fare più viaggi con i mezzi dei reparti e con quelli del Reparto Trasporti e Rifornimenti della Divisione.

Per i materiali del Parco Mobile e della Squadra Panettieri verrà in ogni caso provveduto con automezzi del Reparto Trasporti

50) - Appena terminate le ricognizioni (tempo prevedibile: 12 giorni v. all.1), inizieranno contemporaneamente i movimenti per v.o. e per ferrovia.

Poichè le competenti autorità alleate si sono per ora impegna-  
te ad assegnare i vagoni sufficienti per il trasporto del per-  
sonale che non trova posto sui mezzi automobilistici, per i cin-  
solati e per 2.500 tonnellate di materiale, sono per ora previ-  
dibili i trasporti ferroviari che risultano dall'allegato 2).--

Con tali assegnazioni vengono considerate soddisfatte al com-  
pleto le esigenze dei reggimenti di fanteria, degli organi sa-  
nitari e del Quartier Generale.

E' stata richiesta alle competenti autorità l'assegnazione di  
trasporti ferroviari per altre mille tonnellate di materiali;  
in caso favorevole questo ulteriore tonnellaggio verrà riparti-  
to come risulta dall'all.3).--

In caso contrario occorrerà fare più viaggi con i mezzi dei re-  
parti e con quelli del Reparto Trasporti e Rifornimenti della  
Divisione.

Per i materiali del Parco Mobile e della Squadra Panettieri ver-  
rà in ogni caso provveduto con automezzi del Reparto Trasporti  
e Rifornimenti.--

60) - La successione delle partenze dei treni verrà contenuta nel mi-  
nimo limite di tempo possibile consentito da:  
- possibilità di caricamento contemporaneo;  
- possibilità di avviamento contemporaneo sulle linee ferrovia-  
rie dei treni;  
- numero e capacità delle stazioni di scarico.

./.

= 3 =

Pertanto si può prevedere che tutti i trasporti ferroviari partiranno in un periodo di tempo che va da un minimo di tre giorni ad un massimo di dieci - dodici giorni.

Nel caso più sfavorevole sarà osservata la seguente precedenza nei trasporti ferroviari:

- reggimento "Garibaldi";
- reggimento "Nembo";
- Comando Divisione e Servizi;
- reggimento Artiglieria e Btg. Genio.

7°) - Contemporaneamente avranno inizio i movimenti per v.o..

Essendo stato prescritto che le colonne siano costituite da una 50 di mezzi, e non potendo avviare, per ragioni di ingombro di strada, più di due colonne al giorno, la successione delle partenze delle colonne per v.o., avverrà presumibilmente secondo l'all. 1.

Sono stati proposti i seguenti punti:

a) - itinerario: Trento - Verona - Ostiglia - Modena - Bologna - Rimini - Ancona;

b) - tre tappe;

c) - zone di sosta notturna e di rifornimento carburanti: zona Verona e zona Forlì.

Se ne attende conferma.

8°) - I reparti inizino fin d'ora le predisposizioni per il movimento.

I ~~COMANDI~~ reggimenti concentrino i propri reparti nei pressi delle stazioni di carico eliminando i distaccamenti distanti dalle stazioni di carico.

Tutti si tengano pronti a muovere con breve preavviso.

Subject: Reemployment of Stationary Ref. Div.

53 L.L.L.  
Ref: OAK - 1  
22 Nov 45

TO: HQ 60 sub area.

Copy to: HQ 2 District,  
Lead Person Lab Comd AC (MILIT),  
HQ Pol. Org Lab Div.

1. 53 L.L.L. letter HQ - 1 dated 16 Nov 45 to 60 sub area refers.
2. Reference communication from Captain G. I. 60 sub area - 200 II 53 MIL of 20 Nov re loading of units on rails at MILIT - request loading to be carried out at ~~existing~~ new location.  
Reason - loading at MILIT involves use by road of such vehicles for 25 miles - ~~which~~ involves a move of 90 miles. Present condition of roads for move ~~from~~ to MILIT is ~~poor~~ practically impassable for ~~road~~ loading facilities ~~being~~ for ~~request~~ to MILIT.
3. Reference 2 District signal 301/2374. A ~~has~~ is ~~bid~~ bid for additional 1600 tons for full accommodation to ~~be~~ be ~~by~~.
- (a) It is ~~proposed~~ proposed that ~~at~~ at ~~least~~ least 4,322 tons (not 6,000 tons) to 2,500 tons at ~~request~~ request of 60 sub area. This was possible in view of ~~considerably~~ short ~~distance~~ distance from present location to ~~MILIT~~ MILIT - ~~within~~ within ~~area~~.
- (b) The view seems ~~the~~ that they would be able to carry balance of 1800 tons.
- (c) The position is now changed - a party of stores from ~~MILIT~~ MILIT ~~proposed~~ proposed to the ~~station~~ station as ~~not~~ not ~~provisioned~~ provisioned.
- (d) The ~~bid~~ bid of 1600 tons is:-
  - (i) Training material ~~has~~ has ~~been~~ been ~~secured~~ secured which has ~~been~~ been ~~provided~~ provided or will be ~~paid~~ paid for by the Indian Govt.
  - (ii) Motor fuel which has been ~~provided~~ provided by the Pol. Org Division. (Fuel as ~~secured~~ secured in the ~~new~~ new ~~proposed~~ proposed ~~area~~ area.)
  - (iii) Office furniture and ~~various~~ various ~~stores~~ stores ~~procured~~ procured by the Division since the ~~commencement~~ commencement of hostilities.
4. This headquarters has ~~enquired~~ enquired the type of stores that the Division wishes to have with it from this area and the bulk and stores necessary for winter accommodation. Great preparation and planning has been ~~made~~ made by the Division for a ~~move~~ move in this area for ~~winter~~ winter and ~~generally~~ generally ~~they~~ will ~~not~~ not ~~be~~ be ~~in~~ in ~~the~~ the ~~area~~ area.

- (a) It is requested that the 1000 tons (not 6000 tons) to 2500 tons at request of 60 sub area. This was possible in view of unavailability more distance from present location to ...
- (b) The view taken was they would be able to carry balances of 1000 tons.
- (c) The position is now changed - a study of system from ... province to the "initial zone" is not ...
- (d) The bulk of 1000 tons is:
  - (1) Training ammunition from allied weapons which has been purchased or will be paid for by the Italian Govt.
  - (2) Ammunition that has been purchased by the Solopre Division. (Fuel is stored in the new proposed area)
  - (3) Ammunition and transport stores purchased by the Division since the cessation of hostilities.

4. This headquarters has examined the type of stores that the Division wishes to have with it from this area and the bulk and stores necessary for various operations. Great preparation and planning has been made by the Division for a study in this area for winter and naturally they will not, if it is possible to avoid it, have the products of this labor in this area, especially as in their new area even (where they were for period of training and now very well) they are unlikely to find the same stores, etc from which it would be a financial loss to the Italian Govt.

5. In view of this it is suggested that the bid for 1000 tons in addition, making a total of 6000 tons, is reasonable.

C O P YSubject : Acqn - FOLGORE DivisionHQ No. 2 District, GEF  
1819/Q2  
14 Nov 45.G.O.C.,  
FOLGORE Div.  
-----

1. Ref your letter 2212/OP dated 10 Nov 45.
2. I have gone very carefully into the amount of acqn available for you in the Area allotted and I am satisfied you will be able to find all you need. The Area to the east which you ask to be given is not available, part being occupied by the BRIMLI Gruppo and part by Polish troops. Nor is it possible to allow you to extend east as the adjoining territory is required by the LEGHANO Gruppo.
3. On the whole though, as my district is very crowded, I think the most satisfactory solution to your difficulties will be for your Div to move south out of my District to an Area where more acqn is available and with better training facilities. I am recommending this course to GHQ GEF.
