We thank you very much for your kind invitation to the races and have much pleasure in accepting.

Had I known about this before I would have liked to take a part myself. Perhaps, if I am eligible, which I may well not be and I shall understand if I am not, I might take part in the Futio Races on 20 October. My horse is anything but a race horse but is of course a riding horse and not a draught horse.

Thank you again for the invitations.

Il signorario mi ha invitato per il nostro gentile invito al-
le corse, accettiamo con molto piacere.

Se lo avessi saputo di un tale avvenimento in precedenza, mi sarebbe venuto molto piacere partecipare. Nel caso che io fossi idoneo, il che potrebbe anche non darsi ed in tal caso lo candrei perfettamente, potrei forse partecipare alle corse Futio del 20 ottobre. Il mio cavallo è tutt'altro che un cavallo da corsa, ma è certamente un cavallo da monta e non da tiro.
