Ref. your observation dated 17 March'46 on Acquittance Rolls dated 8 March.

1. It is regretted that this error has resulted from the fact that Acquittance Rolls No's 24, 25, 26 and 27 were prepared from a new pad. It is now evident that the top copies when prepared were not the original as designated, but were in fact prepared as originals and so bear the original signatures of recipients.
2. Subsequent to these original copies under cover of this HQ letter BLU/44 dated 11 March, the second copies (or carbon copies) were forwarded under cover of BLU/44 dated 12 March.
3. It is suggested that if the printed markings of "Original" and "Duplicate" can be amended, the actual copies forwarded are correct.
4. In accordance with your a/m letter, original and duplicate copies will in future be forwarded together, and the triplicate copy after a period of two months has elapsed.
5. This error is regretted.
