1. Attached is the authorized W.H. (Hq. C/1112/2) of this Hq. on which is shown to what extent this has been implemented.
2. It will be seen that three Liaison clerks have been posted. Whilst these three men do their best, they have had no previous experience as clerks and this naturally throws a great deal of work on the clerical Sgt.
3. The real seriousness of the matter is however that 1084935 Sgt. HUGHES, RMO is in release group 28 and will probably leave for US some time in the middle of April. The same applies to 5105035 L/C PAGE R. JUNIOR the Driver-Mech. at this Hq.
4. It will be readily appreciated that in a small Hq. such as this is, these two ORs are absolutely "key" men and without suitable replacements we should find it extremely difficult if not impossible to function efficiently.
5. You are requested therefore to post suitable replacements for Sgt. HUGHES and L/C PAGE well in advance of the date that these two men leave for release.
