Ref. your Signal AG 72 dated 5 October and your letter A 1414 dated 7 October enclosing Specimen Proforma.

1. Enclosed is proforma duly completed and it is hoped that this gives you the information required. I am somewhat doubtful as to this however, as from your Signal it appears that you may require names and addresses of all wives referred to, but this information is not asked for in the proforma.
2. In addition to the numbers given on the proforma, there are, on the list handed over by 3 09 Transit Camp, several Scheme "B" wives. These ladies are shown to be in LEECH, LEECH, FLORENCE, etc., but none of them have ever contacted this H.Q. nor are they rationed by us.
3. Nothing is known as to the position of these wives, as to whether they have already been repatriated to UK or if and from where they draw rations.
4. Should you require further information on this subject, we will do our best to procure it.
