Basic Field Manual FM 25-10

RCV/jad

Sr LFSCAG 6 Jan
MMIA (MMIA) 1945
LO

As I recall, last winter Col. Kerr had the American Basic Field Manual FM 25-10 on Motor Transport, Publication date, March 12, 1942 translated into Italian. If this was done and you have a copy, request you send translation to me, for it will save the Italian LOs making another translation of the same manual since 5th Army has directed that a translation be made.
