THE SUDAN DEFENCE FORCE

APPOINTMENTS FOR OFFICERS IN POST-WAR ESTABLISHMENT

INTRODUCTORY

It is expected that by 1st June, 1946 the Sudan Defence Force will be reduced to an establishment appropriate to its post-war function of an Internal Security force.

The Sudan, which is not a British colony, is administered by the Sudan Government under the Condominium of Great Britain and Egypt. As an Internal Security Force, the Sudan Defence Force will be controlled and paid for by the Sudan Government as before the war, and local rates of pay and allowances will be in issue.

The post-war S.D.F. will comprise four units besides the ancillary services. They are:- Camel Corps, Eastern Arab Corps, Western Arab Corps, Equatorial Corps. Each Corps consists of a number of independent companies of either mounted infantry, motorised infantry, or in the Equatorial Corps, marching infantry. All appointments up to and including Command of Corps and a few Staff appointments at H.Q. of the Force are available to seconded officers.

SELECTION FOR APPOINTMENTS IN POST-WAR ESTABLISHMENT.

Appointments in the Post-War establishment cannot be made until it has been approved and implemented, but REGULAR ARMY officers desirous of serving in the post-war S.D.F. will now be given the opportunity of filling appointments in the existing establishment, on Imperial rates of pay and allowances, with a view to filling the appointments in the post-war establishment as soon as implemented.

It is hoped to fill all the vacancies between 1 January, 1946 and 1 June, 1946.

Selection will be made by the G.O.C. Com and Troops in the Sudan (Commandant of the S.D.F.), and applications should be addressed through the normal channels. Fuller details of terms and conditions of service may be obtained by direct application to H.Q. Tps. SUDAN.

Applicants must normally be unmarried and between 25 and 35 years of age. Accommodation for married officers is very limited.

CONTRACT OF SERVICE.

Officers appointed to the post-war establishment will be offered contracts of service with the Sudan Government. Normally the first term of service will be for 2 years. The contract, with the consent of the Governor-General of the Sudan, may be renewed for a further period normally of 3 years. In individual cases further extensions may be granted up to a maximum of 10

PAY AND ALLOWANCES.

The consolidated rates of pay in the post-war S.D.F. will probably not be less than pre-war rates. These were:-

Annual leave to U.K. with grant of Passage Allowances will probably be allowed in the Post-War S.D.F.

SENIOR OFFICER'S SCHOOL

RESTRICTED
SENIOR & ALLIED
OFFICERS' COURSE

OUTLINE SYLLABUS

OBJECT OF COURSE

1. The object of the course is to give instruction to certain British Officers who have been away from military duty for some years and to Senior Allied Officers, in the organisation, training, command and tactical employment of British forces.

SYLLABUS

2. (a) The Course is designed primarily to give these Officers an up to date knowledge of the organisation of the British Army, a knowledge of all arms which they will be called upon to handle and a sound tactical background.
- (b) Tactical instruction involving the employment of all arms acting in co-operation will be given, but the handling of formations larger than a brigade will only be considered when studying the procedure necessary to implement a divisional plan already prepared by the Directing Staff.
- (c) In order that officers shall understand the British system of command, instruction in the broad outline of staff duties will be included in the course.
- (d) A knowledge of administration is essential in all commanders - for this reason administration in the field and out of the line is taught and problems dealing with the subject are included in tactical exercises.
- (e) The training of his command is one of the most important responsibilities of the Commander. Students are therefore given thorough knowledge of training techniques and methods of instruction.
- (f) Allied Officers are likely to be faced with the task of setting up military schools and training establishments in their own countries. Visits to conveniently situated schools and training establishments are therefore included in the syllabus. Similarly British Officers will have an opportunity of seeing how our schools are run and how the Post War British Army is trained and equipped.
- (E) Lectures by outside/visiting lecturers are included to deal with subject on which Officers require some knowledge, but on which detailed instruction cannot be included.

- (a) Base instruction - which forms the foundation of a commanders knowledge of organisation, employment, training and administration of all arms.
- (b) Advanced training - in which the Commander applies his basic knowledge to the solution of practical problems with which he may be confronted in the major phases of war.

The General syllabus for these courses is forwarded herewith.

SUBJECT:- Staff Learners

Distribution "B" British

1. There is likely to be a serious shortage of junior officers (Lieutenants & Captains) during the next three months which has necessitated a review of the existing procedure for the attachment of staff learners.

2. In future an officer recommended and selected as a staff learner will be attached to a formation HQ with a view to taking over a specific appointment from an officer who is due to vacate it.

3. The CMF staff pool has been abolished and during their probationary period as staff learners, officers will be posted to the X (4a) List and attached to the formation HQ where they are working.

4. The normal period of attachment of a staff learner before he is accepted in a staff appointment will be four weeks.

5. Applications are required from officers in early release groups (i.e. within 3 or 4 months of release), who provided they are recommended for staff employment would be prepared to defer their release either for six months or under a Gentleman's agreement to complete six months or longer.

6. Names will be sent to this HQ by 19 Mar 46.
