Subject: Ration Maintenance of Piedimonte

O.C. PIER
NAPLES SECTOR
Ref: STN/33

11 September, 44

To: MMIA LO CRL (2 copies) (by hand)

Copy to: MMIA HQ
MMIA LO 2 District (without attachment)

1. Attached is list of all despatches of Rations from Naples to Piedimonte up to 9 Sept. 1944 inclusive. Please arrange for the rail cars to be traced forward.

2. The rail cars have been consigned in each case to Distaccamento di Commissariato Italiano Stazione Sparanise.

3. You will note that Pulses and Potatoes have both been despatched regularly on each day's consignment (together with an assortment each day of items scheduled for supply from Naples)

4. The question of the maintenance of a balanced ration at Piedimonte should therefore present no difficulty if the process of offloading and transport from Sparanise to Piedimonte is followed up efficiently. Three lorries are at your disposition for this purpose provided temporarily by this office from Comando Camponia. If these are insufficient additional transport must be allocated from your own sources.

5. Biscuits act as a reserve item to be issued if at any time Bread is not available. Since your Bread requirements are now being produced in Piedimonte, issue of Biscuits should not be necessary.

6. Wine is at present scheduled to be supplied to CRL by Commissariato Bari (Preserved Meat is also scheduled for supply by Bari). If your wine is not coming through you should therefore signal to MMIA LO 2 District for details. Waggons 117823, 2078084, 2200148, 112080, 111771 were despatched to Vairano from Bari on 4 September 44 contents unknown to this office.
