SUBJECT:- Supplies of Rations to BARI Bulk Depot.

Land Forces Sub Comm. AC.

Ref your 10020/S/1 dated 17 May 1945.

1. It is pointed out that your Bari Commissariato Directorate should not have agreed to supply an additional number of rations to the Italian Navy ex Bari stocks, without first consulting you and this Headquarters. The rations for the Italian Navy were, as always, sent to Taranto.

2. Had the correct position been known arrangements would have been made for the 'pack' ex 22 CRASC to have been increased by 6000 to 9000 rations daily.

3. Further, on receipt of stock returns at your Headquarters from the Bari Sector and knowing the feeding strength you should have raised the question earlier.

4. Immediately the true position was known at this Headquarters, steps were taken at once to increase the 'pack' from 21000 to 30000 rations daily ex 22 CRASC as from and including 20 May 1945.

Lt.Col. RASC.
ADST, Land Forces Sub Comm. AC.(MMIA).

Pasta - Dry rations

1. Il Ten. Com.le Direttore Generale Viveri di Taranto ha fatto presente che, da alcuni giorni, la pasta di produzione nazionale proveniente dal 46 B.S.D. Alleato, rivela una discrepanza di peso tra l'effettivo riscontrato al ricevimento delle medesime ed il nominale dichiarato, differenza che varia dai 150 ai 500 grammi per sacco.

Poichè le cessioni alla R. Marina vengono effettuate in base al "peso effettivo" e non a quello "nominale", si prega voler comunicare come il predetto Deposito Montecatini dovrà regolarsi.

1. Instructions have now been received from AFHQ that commodities for Italian Base Packs should be issued in accordance with the normal rotation of stocks as for issue to British DIDs.

2. This will ensure correct turnover of stocks by issue of the oldest stocks first to all consumers.

3. Will you please ensure, on your part, that commodities received marked early issue or in sack or sandbag containers are issued first.

4. Any difficulties experienced by you with these early issue items should be referred to this HQ (BARI 10139 or 14441) with a view to alternative arrangements being made.
