Ref 023/97155/Rfts/3 of 14 Aug 46.

1.

The posting of 3/14735072 Cpl. Robins, W.H. RASC, was requested under my letter 52/9 of 2 Aug 46, as soon as 52 Sub Area submitted his name to me as available for posting. I was informed that Cpl. Robins had not been asked for by any other unit or formation at that time, so your statement that he was previously requested by 3 District is not understood.

2.

It is requested that his posting to this unit be reconsidered. If his previous request by 3 District is confirmed, it is requested that another clerk from the disbanded 52 Sub Area be posted instead of him.

3.

I would add that this unit cannot operate without a single clerk. In view of my 52/5 of 10 July 46 and your 023/95974/Rfts/3 of 15 July 46, it is suggested that this unit is entitled to a clerk of those made available from 52 Sub Area.

Ref conversation Major Whiston - Major Ferre, it would be appreciated if a clerk could be posted to this unit, to fill a vacancy in the rank of private.

He should be a graded clerk as he is likely to be required to fill a vacancy of Cpl. Clerk in a month's time, if he is found suitable for promotion.

Please say whether you are likely to have a clerk as above, free for posting in the near future.

I would bring to your notice that of the four O.Rs on my W.E., two were released on 7 June and the remaining two (both clerks) are due for release in the last week of July, when I shall be stranded.

It is therefore requested that every effort be made to post one clerk to this unit by the end of July.

I realise that it is not easy for you to find replacements for everyone at this juncture, but I hope that, owing to the urgency of my case, it may be given priority.
