In Jan 45 while serving with 585 Coy RASC, S.Wales District, the a/m OR submitted an application to undergo training with a Civil Resettlement Unit.

A Red Cross representative has recently tried to contact him at his home with reference to this application which he desired to take up.

He is due to be released with A/S Group 43, and as the intention is that attendance at these Civil Resettlement Units should take place during the last two months service prior to release, may I be informed if such a posting can be arranged.

I enclose relevant extracts from a letter from his home, together with details of his service :-

".....A lady came here the other night from the Red Cross, to see if you would like to go to a Resettlement Camp in Germany for ex-prisoners of war. They could have got you out to go there. She was dismayed when we told her you were on your way to Italy....."
