COMANDO 510 BATTAGLIONE GUARDIE

Prova 17/MTA

P.K. 67, 2/11/1944

ALLA M.M.I.A., L.O.

BARI

OGGETTO: Impermeabili per la truppa.

Tutti i Comandi di Compagnia dipendenti hanno comunicato a questo Comando il senso di malcontento esistente fra i militari che devono esplicare il servizio di guardia ai treni e alle stazioni durante il tempo piovoso. Come è noto a questo Btg. non furono assegnati né impermeabili né mantelline impermeabili.

Furono dati dei teli da tenda in numero insufficiente (n° 220) e usati, poiché non esistevano nuovi - cioè non più impermeabili, sì che non riparano sufficientemente dalla pioggia.

Si ricorre alla cortesia di codesto Ufficio perché si voglia compiacere a far assegnare - qualora fossero disponibili - se non gli impermeabili, almeno le mantelline impermeabili nel numero di 510 strettamente richiesto al minimo indispensabile.

Quanto sopra viene richiesto nell'interesse di un servizio che questo Comando desidera fornire completo e sicuro.

IL COMANDANTE DEL BATTAGLIONE
(Morelli Giuseppe)
