Italian Searchlight Platoon

1. Owing to a misunderstanding with the 820 Italian Searchlight Battalion Headquarters a different location of the Searchlight Platoon against their numeration was given by this Headquarters.

2. The following is the correct numeration against location:-

|                            |                             |

| 848                        | Brindisi ) <u>Disbanded</u> |
| 849                        | Elmas )                     |

3. It would be appreciated if you instructed the 227 Div. at Bari that the 847 Platoon is not BARI but ROSSIGNANO and therefore, no action whatever is to be taken as far as Bari is concerned. It is particularly important that they be advised that transport (1 truck and 1 motor cycle) belonging to 841 Platoon be returned to the Officer-in-Charge immediately.

1. This is the unit referred to in serial 4 of para 2(a) of LO/7/SD of 2 May
2. Now that it has become BR-ITI, the BARI detachment presumably comes under 227 Div. Eastern Det. for administration. Will you please confirm, and inform me the authorized size of the BARI det.
3. The correct procedure would surely be for the HQ of this unit to have made the necessary arrangements direct with Hq. 227 Div at NAPLES, by whom they are presumably administered, and to have informed their BARI det accordingly, rather than for an apparently British Lieut. to tell them to contact the "local MMIALO"

Ref your SD/95 of 12 May 45. 169

1. Disbandment instructions for 541 Inf. Regt. were forwarded by SMRE to 227 Div. and 9 Terr HQ. in signal 332/117 of 12 May, copy attached.

2. You will see that while the other ranks were to go to FROSINONE, disposal instructions for the officers were to be given by Ministry of War.

3. These instructions have apparently NOT yet been given, which means that the officers - 17 in number - will be left hanging about in the ORTONA area attached for rations to some other unit surplus to WE after the disbandment date. 1726

4. I suggest that it would be more satisfactory when units are disbanded for the officers to be sent to a Rft Depot and to receive their instructions at the same time as the men.

1. As you know I have no powers to sanction the existence of units NOT included in the official Order of Battle. Such authorisation must come from HQ.MMIA.
2. I would certainly NOT recommend them to authorise any rear party for 541 Inf Regt as the order to disband them was issued by HQ.MMIA on 12 May as a result of a previous recommendation by 230 Div.
3. There has therefore been ample time to make all arrangements for the disposal of the Officers, men and equipment of this unit.
