Notes for DAA & QMG 9 BUJ - BARI

1.

Please Liaise 22 CRASC Supply Unit with regard to addressing of advices referring to transferring of supplies to Italian Commissariato. BSI's are still sending advices to MIA IO 54 Area. In future please ask them to signal :-

(a) Action copy to S & T 10 BUJ NAPLES.

(b) Information copy to 9 BUJ BARI.

showing amounts that are to be transferred.

2.

Please Liaise Direzione Commissariato BARI with regard to the following:

(a) 1500 Tons (Metric) of flour and 218 Tons (Metric) P/S/L that are being released from 22 CRASC Supply Unit, (see MIA signal ST/1042 dated 20 Dec 45), will, when instructions received by Commissariato BARI from War Ministry, have to be reloaded to various distant places since no releases are being made in the North. This will be urgent and there should be no snags.

(b) Only one Acceptance Note has so far been received by S & T 10 BUJ to date with regard to transfers from Allied sources BARI area and there were no supporting loading lists. May these Acceptance Notes please be expedited.

1. In order that statistical information may be compiled by this unit on the early organization of the Italian army in the northern zone, you are requested to arrange for the attached stock movement return, together with supporting receipt and issue summary, to be processed by the bulk supply agents in the area under your control, showing the stock position as at close of work on the Saturday of each week, and the movement of stocks during that week.

2. In addition to the above mentioned return it is requested that you send a copy of W/42 rendered to the file to this unit.

3. The return is self explanatory, although a few points are noted below in order to clarify any possible difficulties.

- (a) The stock movement return should show the quantities in bulk and the receipt and issue summary has the quantities are received at (i.e., to show or from when supplies have been issued or received).
- (b) The opening balance in col. 3 should be the same as the closing balance shown in col. 11 of the previous return.
- (c) In the receipt and issue summary any number of columns may be used according to number of commodities concerned. An example is shown in the attached proforma to make this clear.

4. Please ensure the this return to be rendered in the first place at close of work Saturday 15 Dec 43.

5. This return exceeds any other supply return at present being submitted by Messrs. [illegible] [illegible] to this unit.

2443

2A

1. In order that stockholders' information may be completed by this date on the equity component of the return may in the ordinary course, you are requested to arrange for the attached stock transfer return, together with supporting worksheet and loan statement, to be prepared by the date they arrive in the area under your control, showing the stock position as at close of trade on the business of such week, and the movement of stock during that week.

2. In addition to the items mentioned return it is requested that you send a copy of 20/42 reviewed to H. 1772 to this unit.

3. The return is self explanatory, although a few points are noted below in order to clarify any possible difficulties.

- (a) The stock movement return should show the extension in bill and the receipt and loan statement how the extension are reviewed at (i.e. to show or from what extension have been found or provided.
- (b) The opening balance in col. 3 should be the same as the closing balance shown in col. 1 of the previous return.
- (c) In the receipt and loan statement any number of columns may be used according to number of extensions reviewed. It appears in shown in the attached returns to make this clear.

4. These returns in this return to be reviewed in the first place as at close of week ending 15 Jan 45.

5. This return includes any other equity return of interest being submitted by the return to be reviewed in this unit.
