Recommendations for honours and awards have been received by this HQ from 50, 52 and 53 B.I.U.s in respect of personnel of the Combat Group to which they are attached. These lists were apparently submitted on instruction from AFHQ contained in their letter 1027/153 of 22 Jun addressed to 5 Army Br. Iner. only.

This HQ has asked for instructions from AFHQ and pending their receipt this information is passed to you in case you should wish to submit similar recommendations.

It is understood that these recommendations should be based on the type of action or service on par with any similar British award to a British soldier. The act or service need not be connected with a purely British effort provided it is vouched for and cited by a British officer.
