1. Reference your HQ letter CC.HR./C/12 of the 19th. Feb. 1945, the following are the details called for in para. 2.

(a) No British or American weapons are held by either the Palermo or Messina legions. Details of Italian weapons held already supplied.

(b) Vehicles. Lists attached giving details of vehicles held. It should be noted that the greater part of vehicles that are repairable within 48 hours are only off the road because of the lack of tyres.
