PALERMO.

Dear Sir.

MISSING PERSONNEL

This Unit is part of R.A.F. (MED/ME) Missing Research and Enquiry Service, C.M.F., and is in Sicily to trace Missing R.A.F. and Dominion Personnel. The Searcher Party consists of one officer, one N.C.O., and two airmen and is equipped with two Chevrolet Heavy Utility wagons and a Jeep trailer.

Within a few weeks we shall have completed our work in Eastern Sicily and, as your Unit is most conveniently situated for use as a Base for the searching of the Palermo area, would you please state whether or not you are able to provide the necessary accommodation. It is not practicable for us to work the area from Trapani because of the distances we would have to travel daily. Beds and bedding could be brought if none are available and we have a tent which could be pitched on your property if room is a premium.

It is requested therefore, that we be rationed in your Mess and suitable notice could be given of our arrival so that the necessary food may be drawn against the period of our visit which should not last more than one week.

It will be readily understood that this work, affecting as it does the relatives of the Missing Personnel, is of vital importance and that any assistance you can give will contribute greatly towards the success of our mission.

Yours faithfully,
