LA900530 Cpl. BRAY D.W. - PASC

Reference your letter CP/15 dated 24 October '46.

It is hereby confirmed that the above named NCO, of your Unit, reported to this Camp on 17 October 46 and was despatched to Palermo on 22 Oct 46.

The delay of five days, a very small delay in the case of troops, KFU, was due to the following:-

(a) The booking clerk at HQ Movements Naples contacted on the 18 Oct., was not fully conversant with the Palermo route, and he stated that a delay of 48 hours would occur at Medina if the NCO was despatched immediately. This would mean that the NCO would have to find a billet in a civilian hotel, at his own expense. This statement was found to be untrue on further investigation 36 hours later.

(b) Application for a vacancy in any train leaving Naples must be made at least 24 hours before time of departure.

From the above it will be seen that the delay was unavoidable.

14 Oct. 46.

1. Cpl. Eray of this unit was despatched from Palermo on 12 Sep. 46 reporting to Naples on the same day to take up a vacancy on Privilege.
2. He returned to this unit on 23 Oct. 46, having been absent a total of 42 days, including 23 in transit.
3. On being questioned he stated that he arrived in Naples (Lammie Camp) on 17 Oct. 46, but was not despatched to Palermo by train until 22 Oct. 46. It appears that he was then unnecessarily lost to this unit, already understaffed, for a period of 5 days.
4. In view of the fact that there is at least one train from Naples to Palermo each day, may we please be informed why this O.R. was held so long.
