Ref your CS/CENSUS/334 dated 25.Jan.46 and passed on to this unit in M.M.T.A. letter G/211 dated 27.Feb.46.

1. Attached is letter received from Garibaldi Regt. stating their explanation as to why vehicles listed in Appendix "A" to letter under reference were not reported in their Part X Orders.
2. It appears from their account that they have no reason other than inefficiency as to why vehicles issued to them by 412 Vehicle Park. 38 Vehicle Coy on 20.June were not reported on a Part X Order.
Further they give no explanation as to why Part X Orders were not rendered at end of month of July, and finally as to why no Part X Orders were rendered when actual transfer of vehicles to San Marco Regt. took place on 29.Aug.45.
3. The delay in forwarding this information is regretted but the Italian unit concerned took considerable time to forward it to this H.Q.
