1. The Direzione Commissariato, on receipt of such reports from Port Detachments or OGC Depots will, by arrangement with the MMIA Sector Liaison Officer concerned, convene an Analysis Commission to examine and adjudicate upon the supplies in question.

Analysis Commission will comprise:-

An officer representative of MMIA.

An Italian officer representing the Divisione Commissariato.

An Italian officer qualified as a chemist or food analyst.

Where necessary an additional independent analyst's report may be obtained.

2. Analysis Commissions will record facts and record action taken, in accordance with the Analysis Report, proforma for which is attached at Appendix 'B'.

This report is required in sextuplicate, copies disposed:-

(one) 1 copy retained by MMIA Sector Liaison Officer,

(one) 1 copy retained by the concerned Direzione Commissariato,

(Four) 4 copies forwarded to HQ MMIA.

3. Action recommended by Analysis Commission, vide para II of the Analysis Report, may be put into effect forthwith without awaiting confirmation by HQ MMIA.

In cases where immediate destruction is decided upon, the Destruction Certificate forming part of Appendix 'B' will be completed before the Analysis Report is sent forward.

4. After endorsement of Analysis Reports by HQ MMIA 27111 will be disposed as follows:-

One (1) copy to the Italian Ministry of War,

One (1) copy to the Divisione Commissariato,

(Thru MMIA Sector 10 and will be used as a credit voucher to

stock record of depot concerned).

One (1) copy retained by HQ MMIA,

One (1) copy to Chief Accountant, (100) (if Italian Government

An Italian officer qualified as a chemist or food analyst.

Where necessary an additional independent analyst's report may be obtained.

2. Analysis Commissions will record facts and record action taken, in accordance with the Analysis Report, proforma for which is attached at Appendix 'B'.

This report is required in sextuplicate, copies disposed:-
