1. It has been decided, in order to simplify personnel accounting, that personnel will no longer be attached from X/4 list to units. This does not mean that personnel previously authorised to be attached will be withdrawn, but they will now be "posted" or "permanently attached".

2. Will you therefore please render casualties for everyone not on the posted or permanently attached strength of your unit as follows:-

(a) If belonging to the arm, or branch of RA, of your unit, casualty will state :-

"Posted to (or in excess of) full WE of this unit as ..... (trade or employment)".

(b) If belonging to another arm, or branch of RA, casualty will state:-

"Posted to X/7 list and P/A within (or in excess of) full WE of this unit as ..... (trade or employment)".

Immediate action will be appreciated.

3. Personnel will now be accounted for in Part 'A' and in Part 'D' of AF W3009 as applicable.

4. Please note that personnel who are held surplus to WE on detachment from other Units or Pools, will not be affected by Paras 1 and 2 above and will continue to be accounted for in Part 'B' of AF W3009.

e.g., 1 Sgt AEC
1 Tpr (P/Loc/Sgt) RAC - X/4 list attached AEC Pool } Detached from AEC Pool.

6052

5. Upon vacancies occuring within WE, personnel taken on strength in excess of WE, as at para 2(a) above, will not be absorbed against these vacancies without authority from this Headquarters (Rfts Section), to whom application should be made.

2. It is fully appreciated that the reinforcement position with regard to personnel with clerical qualifications is acute in this theatre, but should the above deficiency be only partly met with personnel possessing an adequate ability as Unit Clerks and, most especially, a fair knowledge of typewriting, it is felt that this Unit could continue to function in an efficient manner.

3. It would be very greatly appreciated if this matter could be given your favourable consideration.
