SUBJECT:- DEFERMENT OF PYTHONDISTRIBUTION 'R' (BRITISH)

(For the attention of all Commanding Officers)

1. Since deferment of PYTHON does not have an effect on a soldier's career comparable with deferment of his release, rulings applying to DOV need not be taken into account when deferring PYTHON.

2. The policy over deferment of PYTHON is that, apart from the limiting of the total period of PYTHON deferment to a maximum of three months in each case, the officer competent to defer PYTHON shall have all discretion. This discretion is allowed on the assumption that, in the interests of morale, DOV of PYTHON will be kept to the essential minimum and will not be regarded as a normal expedient.
