1. I would like to recommend the replacement of Major G.T. Larrington, R.E. Barthwith, on the following grounds:

2. He joined the Cerano Centre on 7 August 1945. He was taken ill on 21 August 45 and was in hospital until 13 Sept. He went on LARP on 21 Sept. 45 and returned on 8 November. At the present moment he is on a course in Florence which does not terminate until 5 February 1946. He is due for release with A/S Group 24 on 20 February in the U.K.

3. I think you will agree that although Major Larrington is an excellent officer and I have no complaints whatsoever as to his work, it is not in the best interests to the Centre that the problems associated with the Italian Engineer School should be in the hands of a M.H.I.A. Staff Officer who is already "up to his neck" in work. I repeat, I do not wish to make any reproach on Major Larrington's conduct or qualifications but he has unfortunately been of very little value to me.
