HOMICIDE IN SICK REPORT

the original intention was to have the
whole of the new town built up by the
Government, but as the Government
had no money to do so, it was decided
to let the land to private persons, who
would then build houses on it.

17 July 45.

To: Sgt. Turner (Sgtm. Mess)
Cpl. Wilson (O.Ms. Mess)

MEDICAL INSPECTION OF ITALIAN PERSONNEL
WORKING IN COOKHOUSES.

Will you please arrange for all Italian personnel
employed in Cookhouses to report each Friday at 09.00 hrs. to
the Surg. Magg. in the Officers Cookhouse, in order that they
may proceed to the Italian Hospital for a medical examination.
It is essential that all Italian personnel in cookhouses attend -
they will only be absent for approximately half-an-hour.
A record should be kept of personnel attending
and dates of attendance

7 July 46.

To: Major Grant,
"Y" R.D. & T.U.,
HQAGOLASU.

Copy to: Major E. Huntington,
Maryland.

1. Arrangements have been made for personnel of this unit to attend the Central M.I. Room, Ross, in order to complete any outstanding course of vaccination and immunization.

2. Requirements for full protection are as follows:-

- (a) Smallpox - vaccination every two years.
- (b) T.A.B. - Two initial inoculations and one annual maintenance dose.
- (c) " " " " "
- (d) Typhus - three initial inoculations and one maintenance dose every six months.

3. Personnel should report to the Central M.I. Room at 14.45 hours on 12th, 16th, 18th or 20th July. The R.C.G. 1/a party should be provided with a medical roll in duplicate, showing the type of protection required in each case. Each man must take his A.R.B.O. Part I with him, in which should be made the necessary entry, ready for the medical officer's signature. *163*

4. The Central M.I. Room would appreciate it if prior information as to the approximate number attending daily can be sent by phone (through HQAGOLASU - Dial 478571).

5. For purposes of record, it is requested that a medical roll of personnel attending, and the type of protection received, be forwarded to this R.C.G. when the inoculations have been completed.

C. H. W.
Copy to R.A.
Staff Captain.

P.T.L.B.

40

SUBJECT: Hygiene and Sanitation.*P: British Liaison & Training Unit,
R.T.O., I.O.F.

Ref: A9/45/836

23 June 45

To: Commanding General,
H.Q., R.T.O., I.O.F.

1. The open space between the Central Storehouse, R.T.O., I.O.F. and the D.L.D. is still cluttered up with scrap material swept out from the sheds as far back as last February.
2. It is difficult, if not impossible, to get lorries right down to the anti sheds on account of the rubbish heaps, apart from that soon refuse has been thrown there, and the atmosphere is not improved by the indiscriminate urinating which has taken place.
3. I suggest that this matter should be given your urgent personal attention, and the present disgraceful condition, which reflects the greatest discredit on all concerned, should be remedied.

With reference to your representative's recent visit, it is understood that it is intended to make a further visit to this Unit. Would you please say if it is possible to make an analysis of the drinking water which is used, or advise this R.C. where a sample may be sent for testing. It is desired to have this analysis made at the earliest possible date.
