H.Q., R.T.C. I.C.F.

1. In the past there have been a great deal of unintelligent postings of individuals. In many cases Officers and men have been trained for a special task and then have been posted away. This H.Q. is determined to stop this. However, there is no intention of interfering with the normal changes of personnel.

2. This H.Q. does not know the name of every Officer and NCO and the present Nulla Data is often meaningless. If the Nulla Data contained the following information an intelligent reply could be given.

'NULLA DATA'.

"1. Name and Rank.....

2. Regiment.....

3. Now employed.....

4. Courses attended & Specialist Qualifications...

.....

.....

5. Name & Rank of Officer or NCO qualified to

substitute him....."

3. If the above form could be completed in all future cases, in the event of it being satisfactory permission will be given.

1. No authority has yet been received for the posting of the above named officer to this Unit. It is requested, therefore, that this authority be obtained from M.S. Branch, A.F.H.Q. please.

2. As indicated in this H.Q. letter A3/A1/185 dated 10 Sept. 45, the above officer has not, so far as is known, held an appointment with 33 Military Mission, as he was posted to 'G' Training Unit from G.M.T.C. on 20 March 1945. 'G' Training Unit was disbanded w.e.f. 23 July 1945 under authority AFHQ G1/(Tr)/1065/A.1 (Gen. 2736) dated 27 July 45, though the casualty posting this officer to 'F' British Liaison & Training Unit in C.M.T.C.II appointment was published as effective from 1 June 1945 (date of formation of the latter unit) pending M.S. authority, but, as mentioned above, no M.S. authority has been obtained.

3. It is requested that this matter be treated as urgent as this officer is due shortly for release and it is desired to have the matter settled before leaving this unit.

1. The Commander has noticed a tendency for officers to substitute a colleague in the role of Duty Officer without reference to the D.A.A. & Q.M.G. It is pointed out that while there is no objection to this practice, the DAA & QMG will, at all times, be notified of the substitution.

2. From the 31st August to the 10th September 1945, inclusive, the Duty Officer of the day will be present in the office of the D.A.A. & Q.M.G. every morning between 07.00 and 08.30 hours. The Commander feels that telephonic communication to this Centre from Northern Italy will be easiest during the above mentioned hours. The above inclusive dates correspond with the Commander's tour of the Gruppi.
