I reparti sono tenuti a compilare un modulo C.F. 45 (AFHQ Edn 2) ogni mese, per tutti gli oggetti elencati nel modulo, per i quali hanno la dotazione. Se un reparto non possiede nessuno degli oggetti elencati e non li ha neppure in dotazione, il modulo verrà ritornato con l'indirizzo NIL.
- 2.- Nessuna modifica alla nomenclatura stampata sul modulo 45 potrà essere fatta. Se la nomenclatura di una determinata marca o fabbricante non è stampata sul modulo, esso verrà segnato sotto la voce "altri tipi" (istruzione n. 5 moduli 45).

1. Advance information has been received to the effect that the workshop platoon of No. 3 Italian C.T. Coy. is shortly to be formed in this area on W/2 RA/559/1 incorporating SML No. 127/1 of Sept. 1944.
2. On perusal of the SML concerned it is noted that the only provision of tools for the operation of this unit is that contained in table 32 AFG 1098/1000.
3. These scales make no provisions for the holding of hand tools for authorised tradesman personnel on establishment.
4. It is considered that the scales of hand tools and miscellaneous items authorised in schedule 500 contained in appendix 44 to AFG 1098/1000 should have been included to enable the unit to carry out its role.
5. May this matter please be represented and suitable amendment to scales authorised.

Ref Enclosed issue orders R.T.O./X/19-19

152 Platoon W/Shops, No 152/1-4.

1. The items demanded are not included in the SEL/127/1 applicable to this unit, but it is considered that they are essential to its efficiency.
2. 3 Mechanists (Artificers) 2 Blacksmiths 2 Carpenters 1 Electrician 2 Sheet Metal Workers and 11 Vehicle Mechanics, are included on the units W/S for whom no provision is made in the way of hand tools and equipment, and I can find virtually nothing in Tables 1 to 74 of the Normal Equipment Lists to cover this need.
3. A copy of my ORB/17/1 to DADOS, MIA, is attached for your information.
4. The need of this equipment is accentuated by the fact that 19 Port Workshops R.A.M.S., at present dealing with the repair of IRTC, ICF, vehicles will shortly be leaving Cesano and all this work will fall upon 152 W/shops Platoon and L.A.D.
5. While third addressee is requested to submit proposed amendment to the present SEL/127/1, may at least part of the items demanded be authorised for issue and held surplus to scale.
6. As the matter is of the utmost urgency, stores can be collected from Base Depot.
