COMANDO DIVISIONE "RICENO"

Ufficio Servizi - Sez.S.M.

n.05/7082/S/SM di prot.

P.M.92 - 10 agosto 1945

OGGETTO: Osservazioni sulle richieste.-

AL COMANDO "F" - B.L.T.U. - R.T.C. - I.C.F.

- Riferimento ORD/19/47 del 2 agosto 1945 -

E' stato provveduto a diramare a tutti i Reparti dipendenti una circolare in cui sono state specificatamente precisate le modalità da seguire nella compilazione dei moduli di richiesta materiali secondo i chiarimenti forniti da questo Comando con foglio cui si fa riferimento.

Data la particolarità delle indicazioni in essa contenute, si ha ragione di sperare che, per l'avvenire, i moduli di richiesta materiale saranno compilati regolarmente.

Sarebbe peraltro desiderabile, qualora ritenuto necessario da questo Comando, che fosse fatto altrettanto per gli altri moduli da trasmettere a questo Comando (come, ad es., per i "Part x order"), in modo che mentre i Reparti conoscerebbero le esatte modalità di compilazione di tutti i moduli, questo Ufficio sarebbe messo in condizione di procedere ad un rigoroso controllo ai medesimi primi di inoltrarli a questo "F" - B.L.T.U.-

Per quanto riguarda il punto n.4 della lettera in riferimento si precisa:

1)- le richieste dei seguenti materiali (in blocco) vengono inoltrate tramite Sezione Commissariato

- a)- equipaggiamento personale;
- b)- vestiario ed articoli di pulizia;
- c)- equipaggiamento personale antigas;
- d)- elmetti;
- e)- materiale per pulizia mortai;
- f)- indumenti protettivi per conduttori di veicoli meccanici;
- g)- indumenti protettivi per motociclisti;
- h)- materiali per pulizia armi portatili;
- i)- fucili ed accessori;
- l)- unguenti profilattici;
- "altri materiali in blocco"

2)- le richieste dei materiali di addestramento sono inoltrate direttamente dal Comando Scuole (materiali controllati); per i rimanenti, tramite questo Comando;

Data la particolarità delle indicazioni in essa contenute, si ha ragione di sperare che, per l'avvenire, i moduli di richiesta materiale saranno compilati regolarmente.

Sarebbe peraltro desiderabile, qualora ritenuto necessario da questo Comando, che fosse fatto altrettanto per gli altri moduli da trasmettere a questo Comando (come, ad es., per i "Part x order"), in modo che mentre i Reparti conoscerebbero le esatte modalità di compilazione di tutti i moduli, questo Ufficio sarebbe messo in condizione di procedere ad un rigoroso controllo ai medesimi primi di inoltrarli a questo "F" - B.L.T.U.-

Per quanto riguarda il punto n.4 della lettera in riferimento si precisa:

1)- le richieste dei seguenti materiali (in blocco) vengono inoltrate tramite Sezione Commissariato

- a)- equipaggiamento personale;
  - b)- vestiario ed articoli di pulizia;
  - c)- equipaggiamento personale antigas;
  - d)- elmetti
  - e)- materiale per pulizia mortai;
  - f)- indumenti protettivi per conduttori di veicoli meccanici;
  - g)- indumenti protettivi per motociclisti;
  - h)- materiali per pulizia armi portatili;
  - i)- fucili ed accessori;
  - l)- unguenti profilattici;
- "altri materiali in blocco"

2)- le richieste dei materiali di addestramento sono inoltrate direttamente dal Comando Scuole (materiali controllati); per i rimanenti tramite questo Comando;

3)- le richieste dei materiali automobilistici sono inoltrate tramite Sezione Auto;

4)- tutte le altre richieste tramite Ufficio Servizi del Comando Divisione.

Ref: ORD/19/4/  
August and 1945.

Reference your 05/6597/S/SM dated 31st July 1945.

1. An unreferenced indent dated 21/7/45 from 152 Italian Signal Training Centre is returned herewith.
2. It is not understood now or why this travesty of an indent was passed by you for my attention and authorisation.
3. Your attention is drawn to my ORD/12/47 dated 16th May '45, in which I included a single sheet of Army form G.994 together with an Italian translation. I thought this was self explanatory and imagined all units were notified. As however this does not appear to be the case, I enclose another sheet of Army form G.994, marked with numbers in serial order. These numbers refer to my instructions as under:-
  - (1) The unit should insert here a reference or folio serial number.
  - (2) The date of indent.
  - (3) To be filled in by unit only in the case of very urgent demands.
  - (4) Insert here full designation of unit, e.g. 152 Italian Signal Training Centre, RTC, ICF.
  - (5) Insert here, c/o DADOS., "P" BL & TU, RTC, ICF.
  - (6) The Vocabulary section of the Stores demanded. Only items of one Vocabulary section should be included on any one indent.
  - (7) The Part or Catalogue number of each item.
  - (8) The correct designation of each item.
  - (9) The quantity required.
  - (10) The quantity authorised, according to MEL, SEL, Training Scale or other entitlement.
  - (11) The quantity per item held on charge by the unit and serviceable at time of demand.
  - (12) The quantity per item held by the unit unserviceable or ELR.
  - (13) The authority for demanding the stores should be stated -- either SEL, MEL, Training Scales, or endorse "to repair X (name the item) held on authority Y" (name the authority).
  - (14) To be signed by an Officer.

4. I am receiving indents through several offices of your HQ, including Commissariat, Autisti, Comando Scuole and your own office. If more than one office is controlling the demands for stores of British Ordnance origin, will you please notify me what offices are involved and what type of stores each one is interested in.
5. Will you please have the returned indent properly re-
