Allegato n.2 al foglio 05/6629/S/SM
del 27 luglio 1945

OGGETTO : Censimento di W.O.C.S. (materiale controllato M.G.Artigl.)
Autoveicoli "A" e "B".

"F" B.L.T.U. - R.T.C. - ICr
n.Ord/20/106
23 luglio 1945

AL COMANDO C.A.C.F.I.C.

Quattro censimenti mensili di veicoli e materiali controllati.

1.- Si richiama l'attenzione sul nuovo modello del modulo 45 (Ediz.3/ per il mese di luglio - Ogni modulo è suddiviso in 3 copie,mentre prima si adoperavano 4 copie - I reparti ne invieranno 2(due) per il tramite di codesto Comando,trattenendo la 3^ copia).

La copia n.3 è la copia propria del reparto (vedi paragrafo 3 della Pagina di istruzioni sul CF/45 Ed.3/).

2.- (A) Modulo di censimento 45 (Edizione AFHQ 3).

Ai reparti viene richiesto di completare il modulo CF/45 ogni mese, per tutti gli oggetti elencati nel modulo che essi hanno in dotazione. Se un reparto non possiede alcuno degli oggetti elencati come pure se non li ha in dotazione,il modulo verrà ritornato indicando una situazione NIL.

(B) Si insiste sul fatto che il CF/45 attualmente in distribuzione è l'edizione 3 del AFHQ. I moduli CF/45 della 2^ edizione non dovranno essere usati e tutti i vecchi moduli distrutti.

3.- I moduli di censimento 45 C(artiglieria e F.C.I.s)come pure le situazioni per veicoli "A" e "B" rimangono inalterati e continuano ad essere ritornati come per il passato.

4.- Nessuna variante alle denominazioni stampate sul modulo 45 di censimento può essere fatta. Se la denominazione di una marca particolare o di un costruttore non sono stampati sul modulo,questo oggetto verrà segnato nella colonna intitolata "other types"(altri tipi). Istruzione n.5 del modulo di censimento 45 (edizione 3).

5.- Le pistole Enfield e Albion n.2 Mk 1 oppure Mk1x saranno segnate sotto le voci n.1 Pistola revolver 32 - n° 2 Mk1 o Mk1x ,Mk1xx .

6.- I reparti spesso dimenticano di indicare il n° dell'organico nella colonna 4 del CF/45,vogliate assicurarvi che questo sia fatto. E' molto importante che questa indicazione venga segnata.

7.- Gli ufficiali comandanti di reparto sono richiesti di compilare strettamente il modulo a seconda delle Istruzioni n.15 e 16 del modulo di censimento 45 (AFHQ Edizione 3).

3400

8.- Situazioni veicoli.

Le situazioni veicoli in triplice copia debbono essere inviate tramite quest'ufficio con il modulo di censimento 45 e non inviate direttamente dai reparti al Q(AE) GHQMEF.

[illegible] riportate sul modulo SF 28.

8.- Situazioni veicoli.

Le situazioni veicoli in triplice copia debbono essere inviate tramite quest'ufficio con il modulo di censimento 45 e non inviate direttamente dai reparti al Q(AE) GHQMEF.

9.- Il possesso dei veicoli "A" sarà riportato sul modulo SF 28.

Questo modulo (SF28) sarà inviato insieme al CF45 (ediz.3 AFHQ) ai reparti interessati. E' importante che tutti i Reparti riportino tutti i particolari dei veicoli "A" come indicato nel SF28,ma nel caso in cui la situazione di questi veicoli sia NIL,basterà una postilla sulla situazione dei veicoli "B".

../..

Declassified E.O. 12356 Section 3.3/NND No. 785020

10.- I reparti debbono riportare sulla situazione mensile dei veicoli tutti i veicoli in loro possesso(inclusi i veicoli civili requisiti), all'ultimo giorno del mese. Questa comprende:

1)- i veicoli tenuti in base all'organico compresi i veicoli tenuti in sostituzione di quelli.

11)- i veicoli tenuti in più dell'organico.

111)- i veicoli tenuti per addestramento.

Nei casi (11) e (111) va indicata l'autorizzazione a tenerli.

11.- I reparti sono invitati a confrontare le situazioni attuali dei veicoli con quelle precedenti allo scopo di assicurarsi che gli ordini di Parti X sono stati emessi per tutti i movimenti dei veicoli occorsi durante il mese. I reparti invieranno 2 (due) copie di censimento veicoli "A" e "B" per il tramite di codesto Comando.

12.- Si richiama l'attenzione dei reparti sulla necessità di indicare il loro numero di organico sopra tutte le situazioni mensili dei veicoli. Il numero dei veicoli in base all'organico deve essere indicato.

13.- Si è notato che in passato alcuni reparti hanno usato dei proforma anzichè i moduli CF/45 e SF 28 e che altri hanno ritornato le situazioni NIL in una copia soltanto.

Questo è un servizio di moduli di censimento. I moduli CF/45 e SF/28 debbono essere adoperati solo dai reparti i quali sono in possesso di artiglierie e di veicoli "A".-

Each of the Battalions of the Gatibaldi Inf Regt has received an A.F.H.Q. letter asking them to submit a Monthly Census of Warlike stores. Preseumably you have to do this in CESANO too,and I am wondering whether you have issued any instructions for Translation into Italian to help them fill up the various forms. If you have a copy of them would be invaluable to us. Failing that if I could send an Italian Officer to you thesee the easiest way of completing them it would help a lot.

The following notes have been extracted from A.D.O.S., RAAC Circular, reference OS/650/7 of 19th June 1945, and are forwarded for the information of Units submitting Census Returns:-

1. (a) Census Form (AFHQ Edn 2)
Units are required to complete C.F. 45 (AFHQ Edn 2) each month in respect of all items listed on the form, to which they are entitled. If a Unit has no holdings of any of the items listed and also no entitlement, the form will be rendered as a NIL return.

2. No alteration to the printed nomenclature on Census Form 45 may be made. If the nomenclature of a particular mark or make is not printed on the form, it will be entered under the heading of "Other Types" (Instruction No 5 Census Form 45).

3. Enfield and Albion Pistols No 2 Mk I or Mk Ix should be against item No 1 Pistols Revolver 38 No 2 MkI or Mk Ix, Mk Ixx.

4. Units are omitting to state wise entitlement in Col 4 of Census Form 45, and on the Veh Return, on all occasions no. of Vehs on W.E. must be stated.

5. C.O's of units are requested to pay stricter attention to Instructions Nos 14 and 15 on Census Form 45 (AFHQ Edn 2).

6. Vehicle Returns will be rendered in TRIPLICATE to D.A.D.O.S. RTC, ICF., via HQ. RTC, ICF.

7. Commencing with the Census at 30th April 45 Units will use S.F. 28 for reporting all "A" Vehicles in possession. This form (SF 28) will be despatched together with C.F.45 (AFHQ Edn 2) to units concerned. It is important that units report all particulars of "A" Vehicles as called for on S.F.28, but in the case of NIL holdings of "A" Vehicles, an endorsement on the "B" Veh Return will suffice.

8. Units must report on the monthly return all vehicles in possession on the last day of month. This includes:-
(i)Vehs. held against War Establishment including types held in lieu of types authorised on W.E.
(ii)Vehs. held surplus to War Establishment.
(iii)Vehs. held on loan.
In the case of (ii) and (iii) above authority for retention must be quoted.

The census return(form 45) for May 1945 rendered by HQ 2 Italian Inf. Mft. Regt. is enclosed.

1. Will you please send it back to this Regt's H.Q.

(a) I need only 3 copies. The fourth copy should be retained by the unit.

(b) The War Establishment reference is CB/740/1 and not as stated.

(c) It should be signed by the commanding officer or his representative at the foot of each copy.

(d) The last page should not be detached and scribbled over -unfortunately the harm is done, but will you kindly instruct the C.Q. of this regiment to take more care in future.

2. The blank sheet of Form R.T. no 22, Census of 'A' Vehicles is returned; will you please investigate why this regimental H.Q., if it has no 'A' Vehicles, has one sheet only of this form to return. Am I correct in supposing that the sheets have been distributed singly to a variety of units, instead of in sets of four sheets to units holding 'A' vehicles ?. And if so will you please investigate the reason ?.

1.'A' Vehicles:-

H.Q. 4 Italian Inf. Rft. Trg. Bn. has submitted only 1 copy of A Vehicle Census Return. Will you please request the unit to fill it in correctly and send me three copies. The number and date of last part X order must be inserted at the top of the form, also the War Establishment reference. The form is returned herewith.

2.Form 45:-

When my Warrant officer called at H.Q. No 1 Regiment yesterday, at their request, he was informed that they had not received a copy of the census form. I cannot understand the reason for this, particularly as my staff went to the trouble of sending you the full quantity of census forms required and attached a tab with the unit's name to each one, for you to distribute. Will you please investigate.

3. I sincerely hope that the almost complete lack of interest and responsibility evidenced for the census returns of March and April is not going to be repeated this month, and that you have taken adequate steps to ensure prompt and correct returns to be submitted to me by all units concerned.

1. As regards Census form 45 for War Office Controlled Stores the Units bracketted together should render them on one form headed by the first named in each case, i.e, HQ 152 Italian Provost Company to include all Provost Sections and HQ. RTC, ICF to include, 152 Italian Increment to "F" B.L.U., 152 Italian Ration PCL Depot and Clothing Store.

2. Only units actually holding Artillery and "A" Vehicles should be sent the applicable census forms for completion.

3. To assist you in distributing these forms chits are attached to them bearing the names of units who must complete them.

4. In the past some units have shown extreme laxity in completing and handing in these census returns. They should be filled in correctly on the last day of the month and sent in to me IMMEDIATELY afterwards.

5. For March and April a British Warrant Officer went round to a number of Italian Units and helped compiling these forms. It is felt however that by now the unit Officers concerned should know what is required and should be able to complete the census returns without assistance. If however certain units still feel they cannot do so unaided, it is requested that I be informed by 31st May 1945 at the latest and my Warrant Officer will again be available.

1. It is regretted there will be an unavoidable delay in the rendition of Census Returns from RTC,ICF, as at 31st March 1945.

2. Information is awaited at this HQ regarding the Training Equipment held by RTC,ICF, This has been obtained through D.M.T. channels and it is not yet known whether such equipment is to be on the charge of units using it or to be considered merely on loan to them.

3. As almost all the War Office controlled stores held in this Centre are affected by such a decision it would be pointless rendering returns possibly not agreeing with the authorised and official policy.

4. Another point is raised regarding Form 45. The unit retains one copy and the other three are submitted to ADOS or DADOS of formation Do you require all three of these copies ?. If so there will be no record held in this office and it will not be possible to check the returns, submitted monthly by units against their previous returns.
