1. (a) The following blank forms for the census as at 31 Mar 46 are being despatched to you under registered cover in the quantities indicated in Appendix 'A' to this letter (the APO registration number of each parcel is also shown) :

Census Forms 45 ED 5 Controlled Stores (less Vets and Arty)

Census Forms 45C Ed 2 (Arty)

Census Forms 137 'A' Vehicles

Census Forms 133 'B' Vehicles

- (b) Attention is drawn to Census Form 45 Ed 5 which is divided into 3 copies. A copy of completed returns is no longer to be sent to Q(Stats) GHQ, CME. The procedure to be followed for the 3 copies is set out in the Instruction Page.

2. 'B' Vehicle returns are required as 1, 2 and 3 and should be routed by units to the appropriate ADOS or DADOS with Census Forms 45, 45C and 137 where applicable.

3. NIL returns are required. In the case of Census Forms 45, see Instruction Page.

4. Information required for the census of Radar Equipment will be obtained by this Headquarters direct from the units concerned and returned by them direct to the appropriate addressees.

5. All Italian units under British Command are required to render census returns and to follow normal census procedure. It is realised however that many of these units are incapable of rendering such returns unaided. To overcome this the Italian Ministry of War has been requested to order all Italian units to contact their Ir Cord on this point. CO's are requested to assist by making the Ir Unit under whom the Italian Unit is working and under whose command it has been placed responsible for obtaining census returns and submitting them to the C.O. concerned.

CO's are requested to assist by making the Ir Unit under whom the Italian Unit is working, and under whose command it has been placed responsible for obtaining census returns and submitting them to the O.O. concerned.
6. All units of British employed German military personnel are required to render monthly census returns in respect of all vehicles held, including captured enemy vehicles. All movements of such vehicles must be covered by the publication of Part X Orders in accordance with normal census procedure. CO's will arrange for such assistance as may be necessary to be given to ensure the correct rendition of these returns.
7. Points raised in previous distribution letters regarding the correct rendition of census returns by units will be emphasised by COs as may be considered necessary and the remarks in para 14 below will be stressed particularly.
8. It is essential that all units are covered by the census. Ordnance Officers must ensure that NO unit is omitted due to confusion as to the CO responsible. This letter has been sent to the addressees in Appendix 'A' to

this letter which shows in general terms only, the responsibility of each addressee. Details of the obligations of OOs in regard to the monthly census are set out in DOS Circular No. 60.

9. Gummed labels are enclosed as usual.

10. The distribution by OOs of all completed returns for the 31 Mar 46 census is summarised below:

Ser iel	Item	Form No.	Distribution to Statcentre (Census) GHQ MEF	Retained by O.O
			Copy No. 1	Copy No. 2
1	Warlike Stores	CF 45 (Ed 5)	Original Copy	Duplicate Copy
2	Artillery and Associated Eqpt	CF 45G (Ed 2)	Original Copy	"
3	'A' Vehicle Returns	CF 187	Original Copy	"
4	'B' Vehicle Returns	CF 188	Original Copy	"

11. In order to avoid losses in transit DDsOS are requested to register parcels of blank forms despatched to ADsOS of Area, etc., and all OOs are requested to forward parcels of completed return by registered airmail to Statcentre (Census) GHQ, MEF. Completed returns should be despatched as soon as a reasonable percentage have been received. Returns 'to follow' should be indicated and should be despatched as soon as possible.

12. Addressees will please acknowledge on the form attached adding the titles of the OOs from whom complete returns for March will be sent, and adding the quantity of forms required for the April 46 census. Demands for April should reach this HQ by 24 March 46, and should be confined to CF 187 and 188.

13.copies of this letter are forwarded for distribution to ADsOS and DADsOS as may be desired.

14. Demands for forms appear to be in excess of needs and it is emphasised that in order to economise on labour and material, indents for forms should be reduced to a figure consistent with actual requirements plus a reasonable quantity to cover possible commitments.

15. Lists showing Artillery and Certain Assoc Equipment by types, number and marks as they are to be reported were despatched to you under cover of our letter of even number dated 8 Dec 45. Artillery in AFVs were not included in the list as this is reported on C.F. 187.

16. Special attention is drawn to the fact that at this time it will be necessary to show wastage over the period 1 Jan 46 to 31 Mar 46 (Para 4 of our letter reference GHQ/6502/7/9(ME) dated 9 Jan 46 refers).

Census Forms 187 'A' Vehicles
Census Forms 188 'B' Vehicles
- (b) Census Forms 187 ('A' Vehicles) are for use at 28 Feb and should be completed in accordance with GPO 1171/45
- (c) Attention is drawn to Census Form 188 ('B' Vehicles) which is a new form designed to standardise the 'B' Vehicle return formerly made on units own proforma. All 'B' Vehicle returns will now be made on this form.
- (d) Further supplies of above forms can be obtained from this Branch if necessary.

2. Nil returns are required in respect of Census Forms 187 and 188 and these forms should be routed by units through the appropriate ADOS or DADOS where applicable.

3. All Italian units under British Command are required to render census returns and to follow normal census procedure. It is realised, however, that many of these units are incapable of rendering such returns unaided. To overcome this the Italian Ministry of War has been requested to order all Italian units to contact their Br Comd on this point. COs are requested to assist by making the Br Unit under whom the Italian Unit is working and under whose command it has been placed responsible for obtaining census returns and submitting them to the CO concerned.

It is realised however that many of these units are incapable of rendering such returns unaided. To overcome this the Italian Ministry of War has been requested to order all Italian Units to contact their Br Comd on this point. COs are requested to assist by making the Br Unit under whom the Italian Unit is working and under whose command it has been placed responsible for obtaining census returns and submitting them to the CO concerned.

4. All units of British employed German military personnel are required to render monthly census returns in respect of all vehicles held, including captured enemy vehicles. All movements of such vehicles must be covered by the publication of Part X Orders in accordance with normal census procedure. COs will arrange for such assistance as may be necessary to be given to ensure the correct rendition of these returns.

5. Points raised in previous distribution letters regarding the correct rendition of census returns by units will be emphasised by COs as may be considered necessary and the remarks in para 12 below will be stressed particularly.

6. It is essential that all units are covered by the census. Ordnance Officers must ensure that NO unit is omitted due to confusion as to the CO responsible. This letter has been sent to the addressees in Appendix "A".

1. The rendition of census returns by pri-iti units still under our command continued to be unsatisfactory and a number of these units fail to render monthly returns. Closer supervision appears to be necessary to ensure that holdings of controlled stores and vehicles are reported accurately. It is also necessary to ensure that on disbandment of pri-iti units disposal of equipments is reported to GH. GH stating whether holdings are returned to ord. stocks, transferred to other units or transferred ex GH theatre stocks.

2. It is requested that you take action to bring this matter to the attention of the units concerned and to ensure that correct census procedure is followed.

1. Enclosed are the Census Returns for H.Q. 1st Reception Regt and H.Q. 1st Reception Battalion.
2. They have been carefully checked by this office and the following correction has been made.

H.Q. 1st Reception Regt:- On the return 185 Rifles (Item 11) are shown as being lent to the 1st Battalion. These rifles were really lent to the 2nd Battalion. The return has been amended.

3. The quantities shown in possession by 1st Battalion are all correct, as the number held on the September Return are included in the total number in possession.

TO : All British units in  
Rome Area Allied Command

Monthly Census of V.O.C.S. as at 30 Nov. 45.

1. W.O.C.S. CE/45 (Less vehicles and Army)

(a) Attention is again drawn to the new form CE/45 (Edn.4). Each form is divided into 3 copies only and the procedure to be followed as to completion is set out in the instruction page of CE/45 (Edn.4).

(b) INSTRUCTION PAGE CE/45 (Edn.4)  
PLEASE READ THESE INSTRUCTIONS CAREFULLY TO ENSURE THAT THE RETURN IS COMPLETED AS REQUIRED.

2. SUMMARY SHEET.

(a) It is observed that many units in submitting CE/45 (Edn.4) for the month of October have not complied with instruction No. 3 (e) 1 and 2 which states that the "summary sheets" at the back of the form will be completed, showing possession, entitlement and wastage of all items exactly as entered on the census form. In many cases discrepancies occur between the entries on the summary sheet and the entries on the census form. The entries on the summary sheet should be an exact copy of the entries on the census form.

(b) It is also observed that some units are still rendering census form (Edn.3). The census form now in use is Edn.4 and all other editions will be destroyed.

(c) Finally, insufficient attention is being given to instruction page, especially to instructions 3, 5, 6 and 15.

3. Census of 'A' and 'B' vehicles.

According to G.R.O. 1171/45 distribution of vehicle returns is as follows:- 3517

Original } to A.D.O.S. or D.A.D.O.S. or Area or formation  
Duplicate }  
Triplicate } retained by unit.

This return will be rendered together with CE/45 (Edn.4)

4. Census form 45 o (Army) is unsuited and will be rendered as heretofore

(a) Attention is again drawn to the new form CF/45 (Edn.4). Each form is divided into 3 copies only and the procedure to be followed as to completion is set out in the instruction page of CF/45 (Edn.4).

1°)- Censimento mensile della W.O.C.S. al 31/10/45

W.O.C.S. CF/45 (meno veicoli e artiglieria)

a)- Si richiama ancora l'attenzione sul nuovo CF/45 (Ediz. 4°);
ogni modulo è diviso in tre copie soltanto.

La procedura da seguire circa la sua compilazione è indicata
nella pagina delle istruzioni.

b)- foglio di compendio (che si trova nella pagina posteriore del
CF/45)

I reparti normalmente non si rendono conto dell'importanza
di questo foglio: il foglio di compendio dovrà essere lasciato
attaccato alla copia n° 1 e completato accuratamente in ordine
numerico (vedere par. 3 - Sez. b - Sottosezione I e II della
pagina delle istruzioni).

c)- Modulo di censimento "S" - Il "War Office" ha richiesto uno spe-
ciale censimento "una volta tanto" di certi articoli di materia-
li controllati che non sono compresi nel normale censimento men-
sile.

L'allegato modulo di censimento "S" verrà perciò usato a que-
sto scopo.

Si richiama l'attenzione sulla necessità che questo censimento
sia compilato in base alla situazione consistenza materiali al
15 ottobre 1945.

2°)- I moduli 45 C (artiglieria) non saranno utilizzati e verranno inviati
come per il passato solo dai reparti presso i quali è applicabile.

3°)- Si informa infine che solo due copie dei rapportini di censimento so-
no richieste nei confronti dei veicoli "A", veicoli "B" e dotazioni
di artiglieria.

I N F O R M A Z I O N E

- 1 - Il "War Office" ha richiesto uno speciale censimento "una volta tanto" di certi articoli controllati e di altri materiali importanti che non sono stati compresi nel normale censimento mensile del Modulo censimento 45.
- 2 - A questo scopo il censimento sarà inviato sul modulo allegato indicante il quantitativo assegnato per organico e l'effettivo materiale in possesso al reparto il 15 ottobre 1945.

I S T R U Z I O N I

- 3 - Le pagine da 1 a 7 del modulo censimento saranno compilate al 15 ottobre 1945 da tutti i reparti che detengono o sono autorizzati a tenere l'equipaggiamento dentro specificato.
- 4 - Ciascuna delle due copie perforate comprendenti le serie delle pagine da 1 a 7 e il proforma sommario sarà completata indicando il possesso e la dotazione degli articoli enumerati. I particolari delle marche, dei tipi e dei nomi dei costruttori, dove richiesto, saranno segnati nella colonna delle annotazioni. Quando la serie di pagine, le copie n° 1 e 2, e il sommario sono completate, ogni copia verrà firmata dal Comandante dell'Unità interessata che sarà responsabile della fedeltà del rapportino. La copia n° 1 e il proforma sommario saranno staccati dalla copia n° 2 e inviati coi mezzi più celeri secondo quanto indicato nello schema "Distribuzione" in testa al modulo. Sicuri che le pagine non si staccino. E' importante che l'informazione della pagina 1 sia compilata su ogni copia cioè: norme del reparto, area, divisione o brigata - riferimento militare, data, ecc.
- 5 - I reparti che non detengono alcuno degli articoli elencati e che non hanno diritto a tale dotazione invieranno un rapportino negativo restituendo solo la pagina 1 del modulo di censimento con su chiaramente indicato "NIL RETURN"

.. / ..

6 - NON DEVE ESSERE FATTA ALCUNA ALTERAZIONE ALLE DESIGNAZIONI.

7 - (a) Nel caso in cui un articolo è indicato con titolo generale e suddiviso per marche, ecc, come per esempio:

Unità fornitura energia, n° 5

Marca 1

Marca 1+

Le quantità possedute verranno registrate accanto all'appropriamento sottotitolo e non vicino alla designazione generale..

(b) Gli articoli non debbono essere raggruppati da graffe. SI debbono dare le informazioni separatamente per ogni articolo elencato.

8 - Tutte le dotazioni di reparto come per A.F. G 1098, W.E., SET o SEL e speciali autorizzazioni per quanto esse riguardino gli articoli specificati su questo modulo, saranno indicate anche quando le quantità in possesso siano zero.

9 - L'equipaggiamento in prestito sarà indicato nella colonna annotazioni come segue:

Dai reparti che prestano - esclude in prestito a...
o dai reparti che hanno in prestito - include... in prestito da...

I reparti interessati nel prestito saranno indicati in ogni caso.

10 - I materiali delle officine per riparazioni saranno indicati come tali nella colonna annotazioni e saranno inclusi nel totale dei materiali in possesso - esempio: "incluso due in officina"

11 - I materiali tenuti in "organico d'addestramento" saranno indicati separatamente e segnati "T.S."

12 - Dove qualcuno dei materiali specificati nel modulo siano tenuti:

a) "dentro" o "sui" mezzi corazzati.

b) per autorizzazione speciale (il rifornimento e la data della autorizzazione devono essere citati)

c) montati o fissati su complessi più grandi.

Tali materiali saranno inclusi e annotati nella colonna delle osservazioni.

13 - Non si richiedono lettere accompagnatorie - informazioni aggiuntive saranno sotto "osservazioni generali da parte del comandante" a pagina 1 e, se necessario, nell'ultima pagina.

IMPORTANTE : Si prega di leggere attentamente queste istruzioni allo scopo d'assicurarsi che il rapportino sia compilato come è richiesto.-
