Reference your OS/1000/954/1n dated 28th March 1945.

1. The accommodation stores for 1000 men, so frequently referred to between us, do not seem to have been based upon any recognisable scale or schedule.

2. IRTC, ICF has in fact received:-

Tables G.S.	Qty	495
Forms D.F.	"	250
Chairs P.F.	"	490

3. I demanded 1000 each, Tables, Forms, and Chairs under cover of my ORD/23/19 of 23rd March 45, to bring IRTC, ICF approximately to the full scale allowed by G.M.F. Accommodation Schedules 1945. IN actual fact, on the basis of 13000 troops my latest demands would bring the total of all above items well within the schedules.

4. Under Part II Table D, IRTC, ICF, is authorized:-

Tables,			
(I) For Dining, 1 table per 16	Total	810	
(II) For Serving 1 " " 8 dining	"	100	
(III) 2 Tables per cookhouse	"	120	
(IV) 6 " " ration store	"	360

It may be added that the schedule of accommodation stores does not take into account tables and forms for instructional classes, which form a substantial proportion of the requirements for this Centre. Welfare amenities such as cinemas, are also precluded. I suggest therefore that my demands, although large in quantity, are nevertheless well within reason.

9. It would be appreciated if my demand were treated as urgent.

The first that was known about this matter was through a signal from A.D.O.S., R.A.A.C., OS/883/1000/954/1 of 16 Feb. 45 reading as follows :- "Accommodation stores based on 10,000 men awaiting collection 3rd Addressee (2 Sub-Depot 557 B.O.D.) - (2) 495 Tables, 250 Forms and 490 Chairs were collected from C.I.B. Rome 16 - 19 Feb., on authority 557/OS2/174, and covering vouchers for 473 Tables, 141 Forms and 436 Chairs have just been received from 2 Sub Depot, 557 B.O.D.
- (3) Several road convoys collected stores from 2 Sub Depot 557 B.O.D. for R.T.C., I.C.F. during February, but accommodation stores approximating the definition "for 10000 men" although referred to by me, were never loaded.
- (4) The query is therefore, have the R.T.C., I.C.F. received the accommodation stores as in (1) above, the implication being that those collected from Rome under 557/OS2/174 were the same as those which R.T.C., I.C.F. were supposed to collect from Naples.

Ref your GR/1000/954/1 dated 19 Feb.45, observation on
 Mechanics School ETC ICF., Indent 1830/2 dated 9 Feb.45.

1. The demand for Tables 750, Forms 1000 and Chairs 500 to
 which you refer, was not originated by this office, and similarly
 a quantity of accommodation stores referred to in your signal
 GR/883/1000/954/1 dated 16 Feb., of which the details are not yet
 known here.

2. As accommodation stores would seem to be available now in
 sufficient quantity to meet requirements within the R.F.C., will
 you please cancel Indent 1830/2 as far as the first three items are
 concerned.
