SUBJECT :- Training - CARIBALDI Regiment.

THE BRITISH LIAISON AND TRAINING UNIT
R.F.C., I.C.F.

Ref : G/A. 17/721.

27 Aug '45.

GSO I,
53 British Liaison Unit.

Land Forces Sub Comm AC (MILIA)
(Attention GSO II Training.)

Further to MILIA letter G/Trg/26 of 14 Aug '45.

- We suggest Major GIBBLE who is at present with CARIBALDI Regiment should come down to CESMO to discuss further training problems and a comprehensive training programme for the training of Specialists can be made up, particularly as most of our Schools are short of students and therefore have good facilities at present.
1. May we be given some idea of the dates on which this training is required and full details will then be available when Major GIBBLE arrives.
 2. All courses at this Centre can take a proportion of students but it will no doubt be advisable for larger numbers to attend those courses in which they need special training.
 3. When CARIBALDI Regiment were at VIMERO a fair number of Instructors were trained in British weapons also a number of short courses in Specialist Training were completed.
