C.M.F.

With reference to my WTS/5 dated 2 May 45, N.M.I.A. have now accepted my offer of the loan of two Weapon Training School NCOs.

Particulars of these NCOs are as follows:-

|         |       |                |       |                      |

| 5248703 | S/Sgt | Field, L.      | SASC  | Sniper Instructor.   |

They will be delivered to MANZIANA by the Chief Instructor of the Weapon Training School (Major A.O. Williams) when he visits you on Wednesday 16 May 45.

As the Italian Campaign has now ended it is impossible to say how long these NCOs will be attached to I.R.T.C. I think this is a matter of arrangement between M.M.I.A. and D.M.T.

1. Difficulty is being experienced at the present in producing RE publications in Italian due to technical translation trouble.
2. At the present all work is being checked by the Engineer School at BRACCIANO who have neither the staff nor the necessary knowledge.
3. In confirmation, could one of the interpreters who did the translation for the SME courses at CAPUA be obtained for work at HQ, RTC ICF.
4. It is known that one MARIO FIORE from the Artieri Barracks, ST MARIA, (near CAPUA), was one of the interpreters in question.
5. Any more such interpreters which can be found would be presumably best employed at BRACCIANO than anywhere else except at the SME CAPUA.
6. May it be emphasised that an ARTIERI interpreter is required. A demand for a Genio might produce a Signaller.
