2. After collecting equipment from the Weapon Trg School, one of the trucks developed a mechanical defect and the driver said he would attempt to get this repaired. It was arranged that he would return to collect the R.E. equipment at any time after 14.0 hrs the same day, and an RM HQO would be waiting for him.

3. This truck did not return for the equipment and it is presumed that he joined up with the other trucks and left for the Rft Trg Centre.

4. The 4/m items, therefore, are still awaiting collection, and it will be appreciated if this H.Q. can be informed if they are still required :-
