1. We have not received the amended scales of training assistance which as before, will be worked on a monthly basis.

2. The number of letters will be the number of personnel entering the CMO IIC during the month immediately prior to the completion of the return.

3. The scales as laid down will not be exceeded and we are informed that as far as possible, all records based on these scales will be met.

4. As previously, the monthly demand will be coordinated and would be prepared by CMO IIC by the last day of each month so that the requirements may be for scales, together with other details of training assistance and expenses required and the report forwarded from this office to reach you by the 9th day of the month.

5. Appendix II gives details of training scales. Monthly gives the program for this return.

Shirley L.

1. We have not received the needed copies of training material which as before, will be worked on a weekly basis.

2. The number of students will be the number of personnel entering the (M) ID during the month immediately prior to the completion of the return.

3. The material on Iaid form will not be exceeded and we are informed that as far as possible, all demands based on these copies will be met.

4. As previously, the monthly demand will be coordinated and should be reviewed by Gersonio freely by the last day of each month so that the requirements may be forwarded, together with other details of training, equipment and clothing required and the return forwarded from this office to reach you by the 5th day of the month.

5. Again, I have details of training material. I would like to give the program for this return.
