17 MAY 1945 ICP

Further to my letter reference SE/17/3/211 dated 3 April 45.

1. Owing to the acute shortage of transport at the RMC ICP it is regretted that the 29 lorries 4 x 4 GS Class V cannot now be allocated to the D & M School.
2. No 3 (Italian) General Transport Company is shortly to be formed at RMC ICP, but until vehicles and drivers become available for this new unit it will be essential to allot drivers to these 29 vehicles and to regard them as the nucleus of a second transport platoon to meet the daily requirements of RMC ICP.
3. Will you please arrange for these vehicles to be handed over to drivers and attached to 1500 Transport Platoon. They should be used to replace before 8 April those vehicles of D & M School temporarily employed on general transport duties.
4. As and when vehicles and drivers become available for the formation of 3 (Italian) General Transport Company the above vehicles will be transferred to D & M School for instructional purposes.
