SUBJECT: New Site for Physical Training School.

(TEL EXT. 476)

TRG/66

9 Jul 46.

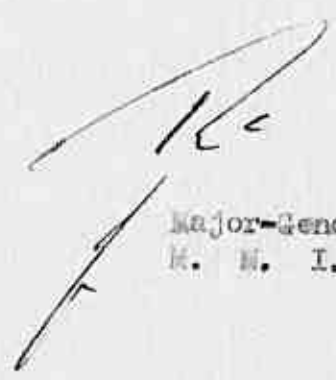

TO : Ministry of War.

1. It is not considered that the present Physical Training School at CESANO offers sufficient facilities for such an establishment.
2. An alternative site has been suggested and it is recommended that the possibility obtaining this is investigated.
3. The proposed new school is located at MONTE SACRO and was once a Fascist Physical Training Academy. It is at present occupied by 300-400 Orphan children under the care of a Monk. They do not use all of the accommodation and would be prepared to move to a more suitable establishment.
4. Your views on this proposal are requested.
