Subject Military Police Courses.

Ref. I45/L/9

Date 15/1/46.

I - As is known, at the military police school at Cesano di Roma courses are being carried out in order obtain a number of instructors and also to bring military personnel belonging to the C.R. CORP up to standard.

Through these courses it has been possible to train, up to date, the entire number of personnel belonging to Inf. Div C.R. Sections and a quota of the units under command of the GEN. CORP HQ.

2 - The L.F.S.C. - A.C. (M.M.I.A.), on request made by this S.M., bearing in mind that it is necessary to arrange the programs for the schools during the next courses, has expressed the opinion that it is better, *ry:*

- not to exclude Inf. Div. C.R. this with the purpose of keeping up their standard of training even if they have already attended the appropriate courses.
- to generally arrange the training for personnel belonging to C.R. Legions and mobile batts. on the military police system.

3 - Concerning the above we report:

- in order to know the position of the Gen. C.R. Arm. HQ. and Mil. Terr. HQs in view of the next courses. (we will inform you of the number of places available for each HQ.)
- On behalf of the Military Central Schools HQ who has asked us to let them know the maximum number of places available at the school, sub-divided into officers, N.C.Os ~~and~~ junior N.C.Os and C.R.
