TRANSLATION

FROM: Ministry of War.

REF: 2083

TO: M.M.I.A.

DATE: 23 January 1947.

SUBJECT:- Technical dictionary.

This Ministry has learnt that a small Italian - English dictionary of military terms has been published (Italian - English Military Dictionary - I.S. (C) London 1943).

This book would be particularly useful to the writer for studying the various publications regarding British arms on issue.

We would be grateful, therefore, if your Mission could let this General Directorate have at least three copies of the publication in question.
