PROVISIONAL MEDICAL BATTALION
2695th TECHNICAL SUPERVISION REGIMENT (OVHD)
A.P.O. 464, U.S. ARMY

4 August 1945

SUBJECT: Movement of Troops.

TO: Commanding Officer, 2695th Technical Supervision Regiment (OVHD),
A.P.O. 464, U. S. Army.

1. The following is a report on the movement of the 20th Pack Mule Company from the Verona Railhead to the 1st Field Remount Depot and the 4th Veterinary Hospital at Passo Corese, 20 miles north west of Rome on Highway # 4.

Time of Departure:	1200 25 July 1945
Time of Arrival (Rome):	0700 28 July 1945
Time of Departure (Rome):	1200 28 July 1945
Time of Arrival (Passo Corese):	1700 28 July 1945
Number of Officers:	3
Number of EM:	147

2. Considerable delay was experienced by this unit while enroute to its destination, with the result that the two day ration originally calculated to be sufficient for feeding the troops, while enroute, was found to be inadequate. The AMDET Officer responsible for the delivery of this unit to its destination, contacted upon his arrival at Passo Corese, Major Wilmont Smith, Commanding Officer for 1st Field Remount Depot, and determined that preparations for housing and feeding the troops upon arrival had been completed.

3. The Shipping Strength of this unit as given to the AMDET Officer at Verona was 3 Officers and 250 Enlisted Men. However, upon arrival at Passo Corese, the strength of the unit was 3 Officers and 147 Enlisted Men. Of this group, 2 Officers and 97 Enlisted Men were assigned to the 1st Field Remount Depot; and 1 Officer and 50 Enlisted Men to the 4th Veterinary Hospital. The Italian Officers who were responsible for these troops while enroute were unable to give a satisfactory explanation or reason why this unit was short one hundred (100) men upon arrival at its destination. Their only statement was that the troops had left the train at various points between Leghorn and Rome.

4. The AMDET Officer responsible for this movement was Captain Harold W. Keller.

HAROLD W. KELLER,
Captain, O.A.C.,
Acting Commander.
