Ref your SD/12 dated 22 Aug 45 and your GO/3636
dated 25 Aug 45.

1. Divisional areas have been agreed by the Commanders of 209, 228, 230 and 231 Divisions in agreement with MMIA liaison officers. No reason is apparent here for any change in these boundaries.

2. Clarification is requested on the point of Evacuation Hospitals which were formerly part of the combat tail units. Do those now working for AMG lose their Combat status and become BR-ITI service units? As far as is known here no order to this effect has been issued.

Ref your letter of 12 Aug 45, on the above subject.

1. 50 Med Coy which appears on page 75 of MILIA Order of Battle No. 2/11 existed on 8 July (date of Order of Battle) and was a Part III (a) Section 2 (Internal Security Division) unit. It was disbanded on 1 Aug.
2. 22 Camp Reception Hospital was erroneously ordered to disband by MILIA letter 53/94/1 of 5 July. This order was cancelled by MILIA letter 50/12/2 of 26 July para 3. 22 Camp Reception Hospital has therefore remained an authorized Italian Army unit.
3. 22 Camp Reception Hospital will be carried in Part III (a) as a Section 2 unit of the Calabria I.S. Division in the place of 50 Medical Coy.
4. The term "non implementation".

The Medical Coy of each I.S. Div has been disbanded. However the 534/5000/1 still exists as an integral part of each I.S. Div organization and the NE strength of each I.S. Div remains 5,000. But 534/5000/1 is not to be implemented, and the feeding strength of each I.S. Div therefore drops by 75 to 4925. Except in the case of the Calabria Div in which 55 will be added to the 4925 making a total of 4980.

The medical coy of each I.S. Div has been disbanded. However MIA SB/94/1 still exists as an integral part of each I.S. Div organization and the HE strength of each I.S. Div remains 3,000. Reference your letter A10-35 of 13 Aug 45 and MMIA letter SD/12 of 22 Aug 45, copy to you.

1. AFHQ have asked Allied Commission to state whether they still require the services of 866 Evacuation Hospital, which has passed under their command. If, as seems likely, Allied Commission does not require this unit orders will then be issued for its disbandment.

2. If Allied Commission still require this hospital at Merano, where it has been ordered to move, its administration will be arranged for by 2 District who will place it under adm command of the appropriate Italian Adm Div. Our letter mentioned above refers.

1. The above hospital, located in FLORENCE, is at present under adn command of Combat Group FOLGORE, which is therefore responsible for the supply of its equipment etc.
2. Owing to the great distance between this hospital and the a/m Gp HQ the position is obviously unsatisfactory and it is therefore requested that the necessary orders are issued transferring it from under command Combat Gp FOLGORE.

G.P. This sounds reasonable request -

but AFHQ will have to order a change.

What is it doing now? Do A.C. want

it? What do they recommend? 15 11/6

The a/m unit is still at CAGGIOLLO with 576 and 866 Evac. Hosps. I propose to have it transferred to SAN GALLO Hospital as it will be unable to look after itself when the two hospitals move to MERANO, especially since the O.C. is in hospital leaving only 5 OX's with unit.

Is this proposal approved or have you other plans?
