See to 22 for reply.

Considering that in the Italian Army the cinema operators are considered Engineers specialists, this S.M. deems advisable that the 2 nucleus of cinema operators which are at present with the "Cremona" and "Friuli" Infantry Divisions:

- are taken on strength of the Liaison School - Cecchignola (Rome).-
- for employment comes under the command of the Central Military School Command;
- are united and transformed into one cinematographic nucleus as per attached w/e.

We await for your approval.

Since you are in favour of maintaining the band of the 1. Italian Command, transferring it ~~to~~ the 1st LPI category, the advisability of forming in each regiment of the army a small band composed of 32 musicians, has been taken into consideration.

Such a measure appears to be particularly useful, because, as ~~m~~ is known, ~~m~~ military music, beside having a recreational purpose, tends to uplift the soldier's morale and to raise their cultural level and makes the unit welcome by the population which gives them hospitality.

Personnel required for the formation of these small bands, will be taken from men available in units and no increase in w/e's would be made. The carrying out of the above could be done gradually, in accordance with the availabilities of personnel and means.

I most earnestly beg you to grant your approval.

Subject:- Film Units.

Further to the cessation of hostilities, the two Film units of the Auxillary units of Combat. Groups, (Cat.2-BR-ITI) remained inactive.

Hence, this office, on proposal forwarded by the Cabinet, beg you to authorise the recall to Rome of the Units in question so that:-

- the material on charge to those units can be set in order.
- the films taken during the war operations can be examined and possibly inserted in a documentary.
- the personnel which form these units can be employed either in doing the documentary, or in the Printing Office of the E.O.W.

Should you consider unadvisable to recall both units at the same time, we shall be grateful if the first unit to return to Rome, be the 2nd. Film Unit actually with the "Friuli" Combat. Group.

As agreed verbally, we attach herewith a table showing the work carried out by the units in question.

Fabro.

(Sgd) G. LUZZI.

- 1/ At least for these last several weeks ago
- 2/ They would not appear to be any objection now to the two units coming down to Rome
- 3/ When the units are in Rome they will be in the hands of the E.O.W. (in Rome)

Caro Colonnello,

questa Sezione ha il massimo interesse di presentare attraverso le "Notizie del Mondo Libero" una completa documentazione del contributo dell'Esercito Italiano al comune sforzo di guerra.

Sono certo sarete d'accordo nel riconoscere che per fare questo è necessaria una stretta cooperazione tra il P.W.B. Film Production Section e la Sezione Cinematografica dell'Esercito Italiano. Credo sarebbe molto utile che ogni settimana ci mandaste una lista di possibili soggetti per i nostri Giornali. In seguito vi informeremo immediatamente di quelli che noi riteniamo i più adatti per i predetti Giornali.

Quando le Unità dell'Esercito Italiano vanno in linea vorremmo dare al pubblico Italiano un completo resoconto dell'attività delle truppe operanti. Per far questo naturalmente avremo bisogno di copie del materiale preso sulla linea del fronte dalla Vostra Sezione Cinematografica.

Il Cap. Walker di questa Sezione Vi potrà fornire maggiori particolari su quelle che sono le necessità del P.W.B.

Reparto Cinematografico dell'Esercito,
 Ministero della Guerra
 Roma.

La Sezione Film del PWB sta prendendo le necessarie disposizioni per girare scene all'atto della liberazione dell'Italia settentrionale.

A tale scopo, è allo studio un progetto per fornire le sezioni avanzate del PWB, che seguiranno immediatamente l'occupazione, di operatori cinematografici italiani. Noi siamo dell'avviso che oltre agli operatori cinematografici inglesi ed americani, anche operatori italiani girino tali riprese.

Abbiamo già scelto, d'accordo col PRO, AFHQ, degli operatori italiani, ma dobbiamo ora provvedere dell'equipaggiamento necessario. Siamo ansiosi di avere una macchina cinematografica a mano del tipo Arriflex, supponiamo, con fondate speranze, che il reparto cinematografico dell'Esercito sia provvisto di tale tipo di macchina. Crediamo che questo progetto sia un'ottima occasione per gli operatori italiani, ed è perciò che chiediamo il Vostro aiuto onde prestarci o nel caso affidarci il necessario equipaggiamento.

Saremo lieti, onde farvi cosa grata, di mettere a Vostra disposizione una copia lavanda del materiale girato.

In relazione con la liberazione dell'Italia del Nord, abbiamo un altro favore da chiedere. Siamo a conoscenza che operatori cinematografici sono addetti alla Divisione Cremona ed alla Divisione Friuli. Vorremmo considerare se fosse possibile che le sezioni avanzate del PWB potessero farsi prestare l'uno o l'altro di questi operatori per quelle scene dove l'essere operatore italiano ha una speciale importanza; il PWB ben inteso, provvederebbe alla pellicola occorrente.

Spero sentire presto un favorevole accoglimento della presente.

Cordiali saluti
