ALLIED FORCE HEAD QUARTERS

Subject:- Italian Army Personnel.

WEL/1944/PS

Tel: 50040 Ext 23

15 Sept 45.

MMIA.

1. Further to telephone conversation of yesterday (Major Gheyne - Capt Neale).

2. Attached hereto is a complete nominal roll of all Italian Army personnel attached to this Directorate, from which you will see that we now have 3 Officers and some 73 ORs.

3. To place you entirely in the "picture" the following is briefly the reason for the numbers being as they are and how we obtained them in the first place.

4. Some time ago the late Director of Army Welfare Services arranged with DAG GHQ 2nd Echelon for 20fficers and 40 ORs, then Co-operators, to be attached to this Directorate for guard duties, etc., authority for their attachment was 2nd Echelon letter o2E/IT/A/139 of 2 Apr 45.

5. In addition we had attached to us an Italian orchestra, consisting of 1 Officer and 22 ORs under GHQ 2nd Echelon authority, 02E/IT/A/161 dated 22 May 45.

6. Since the change in status, certain of them have been demobilised. Further, the officer in charge of the original 40 has taken on extra personnel without prior reference to this office. This has now been stopped, and the attached nominal roll is a complete list to date of the Italian Army personnel we hold.

7. Will you please therefore, to regularise the matter, issue authority for our retention of the personnel in the attached roll.

8. It is our intention, however, in the very near future, to dispense with Italian Army personnel. We are endeavouring to obtain German PW, and until such time as we do it will be necessary to retain these Italians.
