MEMORANDUM:

TO : Colonel Davis1. Florence Female POW Camp

a. Attached hereto is draft order covering the transfer of the camp. The effective date is 25 Sept. which will permit the Italians to get the proper troops in place. To start off, and until we can replace U.S. equipment, it will be necessary to have some U. S. equipment as listed and three men to look after it under direction of Major VanKirk. I have secured the names of three men and ask that they be attached to MNA and ordered to report to Major VanKirk (Florence Telephone 1929) forthwith. They can live at the U.S. camp nearby. As soon as possible we will get Italian equipment and relieve 2 of these men. It is necessary however that one man remain attached to Major VanKirk for handling U.S. rations and POWs.

Enlisted Men to be Attached from 2613 PW Admin. Co.

Grillone, Gregory	Sgt.	32174665	992

b. If this draft is approved or changed, please phone me at once so I can pass the instruction to the Italians as time is short. Also would like to have you signal (1) POW Command that our instruction is in accordance with Mtousa orders and (2) PBS to furnish Nations, etc, as indicated from depot in Florence.

2. Pisa Camp

a. Both Captains Scott and Wolfe have returned to U.S., leaving only one officer. Have furnished the name of Lt. Hutchinson to replace Capt. Wolfe but the orders are not published yet, and consequently there is no officer looking after the U.S. vehicles at the camp, which is not satisfactory. Request this officer be attached at once.

b. To replace Captain Scott I think a Captain is necessary.
 Request that,

DRAFTSubject: Neo-Fascist Prisoners, Pisa Camp

(G) R

Land Forces
Sub Commission, AC (MMIA)
Rome

August 1945To : Minister for War

Further to conversation with the Minister for War, a conference was held at the Pisa Camp on 22 August with representatives of AFHQ and the US POW Command, Colonel Viselli of your office, Colonel Marinari, Commanding the Italian 5d Guard Regiment, and Colonel Kerr and Major Selby, MMIA, and the following points were agreed:

1. Effective date of transfer of prisoners and camp to Italian War Ministry control - 28 September 1945.

2. Camp Equipment, and Property

a. All necessary equipment and property now in use at the camp will be left in place, including US and Allied property and captured property (German and Italian).

b. A detachment of US officers and men, to be attached to MMIA, will take over all such property from the POW Command, and will loan the property to the Italian Command.

c. The property includes:

Semi-permanent buildings

Huts

US motor vehicles

Electrical generators

987

78502D

Water pumps and tanks

Tentage, mess equipment, clothing, etc

Signal equipment.

d. It is planned that such property and equipment as can be furnished from Italian Army stocks be substituted for the Allied property, as soon as convenient, in order to reduce the amount of Allied property gradually. For instance, Italian Army telephones can replace Allied telephones. This will be a matter to be arranged mutually on the spot between the US Detachment and the Italian Camp Commander.

3. Rations

a. The ration of the prisoners is as follows:

Allied Items

Flour or biscuit	12 oz		
Canned meat	2 oz		
Dry vegetables	5 oz	(P/B/L)	
Sugar	1/2 oz		
Milk powder	2/3 oz		
Coffee	1/2 oz		
Cheese	1/4 oz		

G 2

Italian Items

Fresh vegetables	8 oz		
Fresh fruit	4 oz		
Salt	3/8 oz		
Olive Oil	1 oz		

About 2,000 calories

b. The Allied portion of the ration will be drawn from Allied sources until 1 December 1945, by the US Detachment on the basis of the strength present in the camp. There will be no charge to the Italian Government for the Allied rations.

c. The Italian portion of the items will be drawn by

the Camp Commander from Italian Army Depots.

a. Colonel Viselli stated that the baking of bread for the camp would be done on contract with civilian bakeries in Pisa. This is satisfactory, or you can transfer an Italian Army bakery to the camp, and utilize the prisoners for labor.

4. Medical care and supplies.

a. There is a field hospital in the camp, now staffed by German POW's, who will be removed when the camp is turned over to you.

b. Arrangements have been made to transfer to the camp one Italian hospital just released by PBS, to take over the commitment. This unit will be placed under command of the Italian Camp Commander.

c. Medical supplies for the prisoners are from captured German stocks, and a 90-day level is being built up in the camp where the supplies are available. Any additional supplies needed will be furnished from Italian Army sources, supplemented if necessary from Allied sources. 98.5

d. Hospitalization of the prisoners beyond the capability of the field hospital in the camp will be in established Italian Army hospitals in the vicinity of the camp.

e. A number of the prisoners are now hospitalized in US military hospitals. As soon as possible such prisoners will be returned to the camp or transferred to Italian Army hospitals by the US POW Command.

785020

6. POL

The POL necessary for the operation of assigned motor vehicles and camp equipment will be drawn from Allied sources by the US Detachment and will not be a charge against the War Ministry allotment. This does not include the motor vehicles organically assigned to the Italian Army units in the camp.

6. US Liaison Detachment

a. A US Liaison Detachment will be attached to the camp. This will be an MMIA unit.

b. The Liaison Detachment will not command the camp, but will assist the Italian Camp Commander in every way possible.

c. The principal functions of this detachment are:

(1) Responsibility for all Allied property.

(2) Securing and turning over to the Camp Commander the necessary Allied rations, POL, spare parts for Allied equipment, etc.

(3) Liaison for the Camp Commander with Allied agencies, MMIA, etc.

(4) Training Italian personnel in operation of Allied equipment, electrical generators, water pumps, etc., and assisting in the operation where necessary.

7. Prisoners wanted by the Allies

The Allies reserve the right to demand and receive from the Italian Government any prisoner in the camp, at anytime.

8. Additional prisoners

Except for those prisoners returned by the POW Command

from hospitals, no additional prisoners will be admitted to the camp from any source.

9. Troops

a. Presently assigned to the Italian Command is the HQ 3d Guard Regiment and the 508 and 509 Guard Battalions, and a field hospital.

b. It will be necessary to assign additional personnel, such as engineers, electricians, motor mechanics, clerks, commissary, etc., as needed by the Camp Commander. This personnel will be added to the W/E of the Regimental Headquarters, as requested by you. Submit your proposals.
