1. I attach hereto copy of a letter written by Major Price on the subject of guarding the Cesano Camp after the departure of the Comando Scuole. I am in entire agreement with all he says and feel that this is a matter of the greatest urgency.

2. Will you please let me know your proposals for providing adequate guard facilities in order to avoid the possibility of any incidents such as that quoted in paragraph 3 of the attached letter.

SUBJECT: CESANO Comp.

12 BRITISH LIAISON UNIT

Italian Central Military Schools

Ref: G/A.12/1099

3 May 46.

To: Commander,
12 British Liaison Unit.

1. I would like to draw your attention to the dangers of looting in the event of the B.L.U. HQ Central Military Schools and the Police School leaving Cesano.

2. At present the strength of the Infantry School is barely adequate to guard efficiently the main area they at present cover, and carry on normal activity of administration and training.

3. An incident occurred on the night 1/2 May, of an attempted theft of the Cash Box of the P.T. School by soldiers and civilians. Moreover, cases of theft of tyres etc have occurred from 155 Worksh0pe area.

4. The situation is aggravated by the fact that many soldiers of the permanent staff here at CESANO are remants of the days of completely, as opposed to partly, indisciplined soldiers.

5. The difficulties of guarding CESANO are obvious. The civilians here are mainly undesirable and unreliable.

6. I would suggest:

(a) The personnel of permanent staff of Infantry School be brought up to strength as far as possible and the old permanent staff changed gradually for new blood from C.A.Rs.

(b) Hawkers and Vendors to be barred from the Camp.

(c) Civilians at present living in the Camp should be moved, or at least screened as to desirability.

(Sgd) W.L.Price.
