(M.M.I.A.) ROME

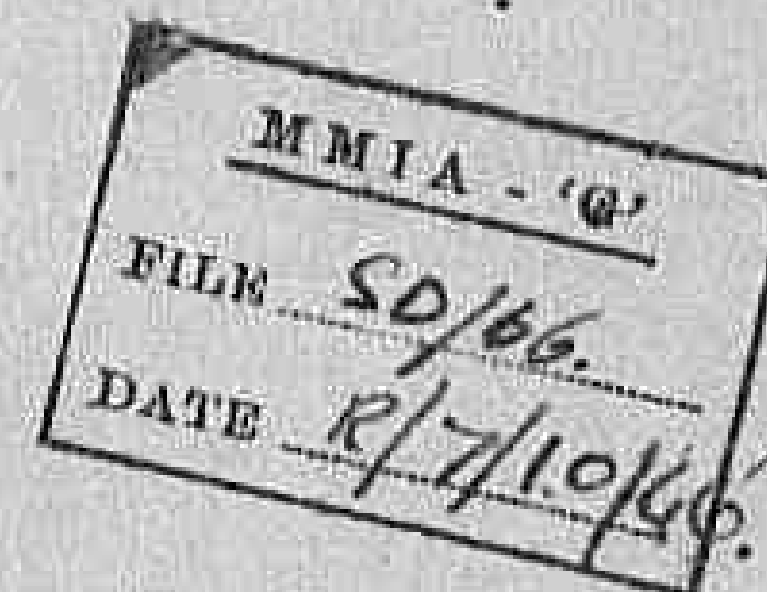

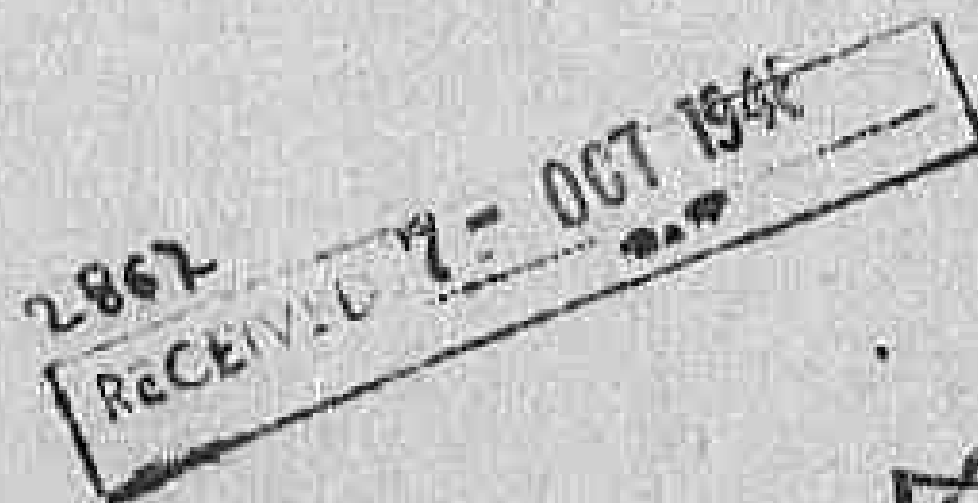

The Ministry of War is at present considering the move of units in the Territorial Command.

Roughly speaking it involves concentrating into 3 Groups, one based on TURIN, one on VERCELLI - NOVARA (J 56 - J 68) and one on ALESSANDRIA (J 97).

There is a further point which I believe also under discussion, which involves a mutual exchange of areas between 'MANTOVA and CREMONA' Divs :- the SALUZZO - CUNEO area (N 78) to CREMONA, the ALESSANDRIA area to MANTOVA. Territorially this is a very reasonable exchange, as the first area is nearer TURIN and the second much nearer GENOA. The loss of ALESSANDRIA would, however, be a great loss to the CREMONA Div because it is well equipped, having been the HQ of an Army Corps. The exchange would also involve 2 C.A.R. being in the CREMONA area.

There is however, one smaller adjustment which I consider would be to the mutual advantage of both i.e. NOVI LIGURE (O 88), now in the CREMONA area to be exchanged with SALUZZO (N 88) or MONDOVI (O 06).

At present the Saluzzo Bn of Alpini are stationed in ALESSANDRIA, in the plains and the nearest place where they can do any mountain trg, and even that is not proper Rock - Climbing, is at CABELLA LIGURE (P 17) only a short distance from GENOA. It is obvious that they should be stationed in a Hill Station like the other Two Bns. Apart from this they would be much nearer their Regimental Commander.
