SD/92/1

25 MAY 46

TO : MINISTRY OF WAR

1. In view of the large number of amendments that are becoming necessary to the Order of Battle and Location Statement of the ITALIAN Army each month, which are due to the reorganisation of the units of each arm of service onto the new War Establishments, it is suggested that the Order of Battle and Location Statement be printed every two months instead of quarterly. The monthly amendment should continue to be issued.

2. It is considered that this change would be very beneficial to all concerned, and that the work necessary to produce a new edition every two months with one monthly amendment would not be a great increase on that done at present.
