In order to bring the layout of the above war establishment into line with the present organisation of the directorate it was agreed that the above war establishment should be re-written as CM/1265/2 incorporating the above amendment.

Reasons for approving the appointment of Transport officer (lieutenant) - 1 in the above amendment were that the responsibilities of this officer extend beyond the 21 vehicles held on CM/1265/1. The transport officer is responsible for documentation of all vehicles held by Welfare Services units and the Welfare Pool approximating to 80 vehicles altogether, also for running a unit workshop for the first line maintenance of the majority of Welfare Services and Pool vehicles in N. ITALY, and an independent petrol point for the Directorate, Welfare Services units and Combined Service Entertainments units located at or in transit through ABANO TERME.

The additional lance-corporal clerk appointment for S.S.A.F.A. branches was approved so as to provide one lance-corporal clerk to take charge of each branch office.

It was agreed that implementation of the above war establishment in respect of No. 2 Welfare Centre, TRIESTE, should be restricted to 50% of the totals of all ranks, civilians and vehicles, and that in view of the imminent disbandment of No. 2 Welfare Centre no useful purpose would be served by amendment of the above war establishment at this stage and its continuation unchanged was therefore approved.

The Committee recommended that the above war establishment be reviewed by the War Establishments Committee at Headquarters, British Troops in AUSTRIA with a view to adjusting and re-writing it under a BTA number in accordance with requirements for No. 1 Welfare Centre, KLAGENFURT, which, it was understood, would not be disbanded for some time yet.

In reviewing war establishments CM/1269/1, CM/1270/1, CM/1271/1, CM/1272/1 and CM/1273/1 above, the Committee agreed that in spite of there being a reduction in the number of troops being served, the war establishments in question, as amended, could not suffer proportionate reductions without a disproportionate loss in service and efficiency.

3479 ARMY NEWSPAPER UNIT, ARMY WELFARE SERVICES, CENTRAL MEDITERRANEAN — CM/1274/1

In view of a staff decision that the newspaper produced and published by the unit formed on the above war establishment should be increased from four to eight pages it was proposed to increase the size of the above establishment in order to cope with the extra work entailed. The proposal for an augmented war establishment was not however accepted by the Committee as it was immediately apparent that the increase proposed was far too great. The review of this war establishment was accordingly deferred pending submission of a revised proposal to be within a strength of 90 all told (including both civilian and army personnel).

3480 WELFARE POOL, CENTRAL MEDITERRANEAN — CM/132/5

The above war establishment was reviewed in accordance with War Office signal 66368 MP 3 (3) dated 25 Sep 46.

The sponsors proposed that this war establishment should be revised so as to show each increment as specifically allotted to each formation etc headquarters in AUSTRIA and CMF. The Committee agreed however to recommend that the War Establishments Committee at Headquarters, British Troops AUSTRIA consider the proposed establishment of welfare pool appointments and vehicles for that command with a view to approving a BTA war establishment for the same.

The Committee considered and approved as CM/132/6 a revised war establishment for the Welfare Pool, ITALY w.e.f. 30 Dec 46 designed to supersede (when implemented) CM/132/5. It was agreed to recommend the inclusion of the appointment Assistant director of Army Welfare Services (HQ ITALY) - 1 in the revised war establishment to the War Office.
