LAND FORCES SUB COM, A.C. (AMLA)

31 Oct 45

To : Ministry of War

1. Attached at Appendix 'A' is a list of all Ex-cooperator units for which formal formation orders have been received.

2. In addition to this list the following units are required to be retained pending the issue of formal formation or disbandment orders by G H Q, CEF :-

Italian Cooperator Wing to 103 General Hospital
5 Blood Transfusion Unit
7 Convalescent Depot
Incr to 69 General Hospital

3. All cooperators other than those detailed in para 1 and 2 above will be withdrawn from units employing them and will be posted as rfts.

4. In reply to particular questions (conversation Maj. PITTOZZI - Maj. CHENET refers)

(a) The following units are not authorized to hold ex-cooperators who should be withdrawn:-

5 Vehicle Park RAOC.
16 Vehicle Park RAOC. 'B' Dog Provost Coy.
144 DID (personnel to be posted to bring 199 DID up to strength)
30 Graves Concentration Unit

(b) The increment to 15 Base Post Office is identical with the increment to 5 Base Post Office. The reason for the confusion appears to be that the unit is under the action of both 15 B.P.O. and 5 B.P.O. for different purposes.

(c) The following locations are notified :-

Incr to 2 District - MILAN (A new increment has been formed on 62/825/2 - this is not now an ex-cooperator unit)

142 to R A C T D - RIMINI
HQ 55 Area - TRIESTE
HQ 218 Area - RICCIONE

It must be understood that Areas and Sub Areas have the option of holding ex-cooperators or civilians against the same war establishment. Where no cooperators are reported with HQs of Areas or Sub Areas the

2. In addition to this list the following units are required to be retained pending the issue of formal formation or disbandment orders by C.H.Q. CAT :-

Italian Cooperator Wing to 103 General Hospital
52nd Transfusion Unit
7 Convalescent Depot
Incr to 69 General Hospital

3. All cooperators other than those detailed in para 1 and 2 above will be withdrawn from units employing them and will be posted as rifle.

4. In reply to particular questions (conversation Maj. PETROZZI - Maj. CHENE refers)

(a) The following units are not authorised to hold ex-cooperators who should be withdrawn:-

5 Vehicle Park RAOC.
16 Vehicle Park RAOC. 'B' Dog Provost Coy.
141 DID (personnel to be posted to bring 199 DID up to strength)
30 Graves Concentration Unit

(b) The increment to 15 Base Post Office is identical with the increment to 5 Base Post Office. The reason for the confusion appears to be that the unit is under the action of both 15 B.P.O. and 5 B.P.O. for different purposes.

(c) The following locations are notified :-

Incr to 2 District - MILAN (A new increment has been formed on C/223/2 - this is not now an ex-cooperator unit)

Inc to R A C T D - RIMEI
HQ 55 Area - TRINTE
HQ 218 Area - RICCIONE

It must be understood that Areas and Sub Areas have the option of holding ex-cooperators or civilians against the same war establishment. Where no cooperators are reported with incs of Areas or Sub Areas the reason is that civilians are being employed in lieu. No action in these cases is necessary by your Ministry.

2. The Increment to 5 Base Post Office is for some purposes administered by 15 Base Post Office located in the same building.

- 1.- It appears that Areas and Sub-Areas who are employing ex-cooperator personnel have not applied through the normal channels for conversion of these personnel on to CM/1519/1 - Italian Iner to HQ to an Area, and CM/1520/1 - Italian Iner to HQ a Sub Area, in all cases.
- 2.- This is holding up the work of the Italian War Ministry in tidying up the conversion of the ex co-operators to the Italian Army.
- 3.- It is requested that Area and Sub-Area Headquarters may be pressed to forward through the normal channels the appropriate applications to form the units concerned. GSO 1

1. A letter has now been received from the Army Welfare Services requesting that the present attachment of 76 ex-co-operators, 15 of whom are in process of being dispersed with, should be authorized.
2. They have also stated that they hope to replace them with Germans in the very near future.
3. It is not, therefore, considered desirable to create a new unit which has 3 officers and can be easily self-administering but to authorize an attachment until Germans are available.
4. As, however, irrespective, attachments for long periods are not very desirable, it is recommended that it be for one month only and that the Army Welfare Services be instructed that the Italians should be replaced by 4 November at the latest.

2. This is holding up the work of the War Ministry in tidying up the conversion of ex co-operators to the Italian Army.
3. It is requested therefore that you speak to the District HQs in your area in order that Area and Sub Area HQs may be pressed to forward through the normal channels the appropriate applications ^{to HQ} ~~from~~ the units concerned.

1. Reference is made to your ED/131 of 12 July 1945 and proposed WE CM/1526/1.
2. It has been decided to substitute Austrians for the major part of the Italian Increment to AFMA (Br Sec) (Local Adm Staff).
3. You are requested to arrange for the withdrawal of personnel when no longer required.
4. Attached are six copies of a list of the personnel it is desired to retain (total 25). Please add the administrative staff you consider necessary.
5. It is probable that the Increment to a Pd Survey Stores Depot (CM/1527/1) will not be implemented and that the men at present at the Depot will be disbanded on their old establishment at the same time as those referred to in paragraph 2 above. The original intention of allowing for the administration of this unit by the AFMA Increment should not therefore arise.
6. It is requested that the proposed WE, in terms of paragraph 2 above, be forwarded to this headquarters in the usual way after approval by your WEC.

2. For your information, the morale of the men in this unit is reported to be low, as they are apparently employed as servants to the camp inmates.

Subject : Ex-Co-operator Units Located in Sicily.

1. As is known, at Catania, there exist some ex-Co-operator Units employed by the British, which, according to verbal communication from M.M.I.A. should pass under the administration and disciplinary command of the 227 Division.

The said units are :-

1 Italian Provost Coy.

36 Reception Station Type 'A'.

2. Actually, the jurisdiction of the above-named Division ~~extends~~ extends only to the BR-ITI units in the central-southern part of the peninsula, the ~~xxx~~ southernmost unit being located at Crotone.
3. The relationships of command, although limited to a disciplinary and administrative field, already difficult for the furthestmost units, would become for the HQ 227 Division, even more difficult and almost ineffectual, when applied to the needs of the ex-Co-operator Units located in Sicily for the reasons stated below:-

Non-existence, on the island, of BR-ITI units to which, administratively to attach the ex-co-operators.  
Lack of means of transport and liaison,

4. Ref. the above, we beg M.M.I.A. to consider the advisability of entrusting the disciplinary and administrative ~~xxxxxx~~ care of the above-named units - whose total strength amounts to about 100 men - to the HQ 1 Brigade, S.I. "Sabaude" Division, which is situated at Catania <sup>723</sup> ~~that is, within the same area as~~ and ~~the units in question would still be~~ <sup>best position to</sup> in the most convenient circumstances for providing for their needs.
- The said units belonging to the category BR-ITI would depend on HQ 227 Division solely for clothing requirements.

See for 13.9.45.

NOS. 1 and 4 ITALIAN NAVAL COMPANIES      See to 8

In consequence of the relatively undamaged state of Northern Italian ports there will soon be no further Naval requirement for the two Italian ex-Prisoner of War companies at present allocated to the Royal Navy, and it is expected that they will be available for disposal about the beginning of August.

2. Of these two companies, No. 1 Italian Naval Company is at Mestre near Venice and No. 4 Italian Naval Company is at Genoa.

3. Their composition is approximately 40% tradesmen (building and mechanical trades, drivers and mechanics) and 60% general duty men. They are equipped according to the normal G.1098 scale for co-operator units.

4. Since the 1st July their status has been changed to that of BR-ITI units.

5. It will be appreciated if early information can be given as to the disposal of these units.

SUBJECT: Ex-Cooperator Units

TO: Chief Commissioner  
Allied Commission  
APO 394  
FOR: Land Forces Sub Commission (DEMA)

1. Reference is made to your SD/131 of 12 July 1945 and proposed WE CM/1526/1.

2. It has been decided to substitute Austrians for the major part of the Italian Increment to AFHQ (Ar Sec) (Local Adm Staff).

3. You are requested to arrange for the withdrawal of personnel when no longer required.

4. Attached are six copies of a list of the personnel it is desired to retain (total 25). Please add the administrative staff you consider necessary.

5. It is probable that the Increment to a Fd Survey Stores Depot (CM/1527/1) will not be implemented and that the men at present at the Depot will be disbanded on their old establishment at the same time as those referred to in paragraph 2 above. The original intention of allowing for the administration of this unit by the AFHQ Increment should not therefore arise.

6. It is requested that the proposed WE, in terms of paragraph 3 above, be forwarded to this headquarters in the usual way after approval by your WEO.

BY COMMAND OF FIELD MARSHAL ALEXANDER:

R. A. STURKEY  
Captain, AGD  
Asst Adj General
